## About Us

Mipa Foods And Spices is committed to elevating culinary and aroma experiences to new levels with premium-quality formulations that blend tradition and innovation. As a supplier and manufacturer, the company offers an exceptional range of food flavour and fragrance essences for application across industries. From the full-bodied, zesty zip of garlic food flavour to the delicate allure of rose tsp fragrance essence, every product reflects the ideals of excellence. Flavors and perfumes are artfully blended to give purity, strength, and performance, either in terms of perfumery, cosmetics, food manufacturing, or drinks. Blended by state-of-the-art plants with both traditional knowledge and high-tech extraction technology, each drop speaks of precision and devotion. Fragrances like kool, floral, and galaxy blend exquisitely into products that leave a lasting impression, while food flavors like kaccha aam, pista, vanilla excellent, and milk dairy add depth and authenticity that resonate well across palates of taste.

Founded in 2022 with its headquarters located in Pune, Maharashtra, India, Mipa Foods And Spices is an innovative pioneer in the world of flavour and fragrance. Being a Manufacturer and Supplier, it trades in superior quality food flavour and fragrance essences with the perfect blend of innovation and heritage. The products offered by the company range from household picks like green apple fragrance essence, rose rewadiya food flavour, and vanilla excellent food flavour. All our formulations undergo strict quality checks to be by international standards, allowing for applications in the culinary, cosmetic, wellness, and industrial sectors.
