About Us

We, Viaan Trading Private Limited are convinced that snacking can be healthy and great-tasting. Our goal is to offer today's snack enthusiasts a superior, guilt-free choice over conventional junk food. We are a reliable manufacturer and supplier of Himalayan Salt Roasted Makhana, Peri Peri Roasted Makhana, Black Pepper Roasted Makhana, Pudina Roasted Makhana, and more. We deal in roasted and popped Makhana (fox nuts) a super snack that is rich in nutrition, easy on the stomach, and bursting with flavor. On the go, working late, or just hanging out at home, Yumgo is your best buddy for delicious, wholesome snacking.

Foxnuts or Popped Water Lily Seeds, known as Makhana, are a light and healthy, crunchy snack. Cultivated primarily in India, responsible for 90% of global supply, these seeds are roasted and not fried, with irresistible natural flavors. Packed with protein, fiber, and antioxidants, Makhana are low in calories and gluten-free a perfect blend of taste and nutrition. Whether you are craving something tasty or looking for a healthy bite, Makhana is the ideal snack for guilt-free indulgence.
