

# ADDING JOY TO YOUR EVERYDAY LIFE

FANS • HOME APPLIANCES • LIGHTING • SWITCHGEAR

# One-Stop-Solution For Smart Living

Life may be a bit complicated, but we do our best to make it simple with a range of lifestyle appliances designed for convenience. Orient Electric is a name that has stood the test of time for over 65 years in the consumer electrical market. We've established ourselves as the favourite one-stop provider of fans, lighting, home appliances, and switchgear.

With a presence in over 42 international and domestic markets, we're running a well-organised distribution network that reaches over 1,35,00 retail outlets and a strong service network covering more than 480 cities. Our ultra-modern manufacturing facilities at Faridabad, Noida, Kolkata and Hyderabad enable us to manufacture customer-driven, first-to-market products with state-of-the-art quality and performance.

Our commitment towards manufacturing high-tech, lifestyle solutions allows our R&D team to focus more and more on continuous innovation for the future.

# Mixer Grinder

The wide range of Mixer Grinders from Orient Electric work like a dream for both cooking experts and those who are new at it. Equipped with a 3-layer protection, shock-proof body, flame-proof design, and overload protection – they're designed to keep you safe and make for the perfect addition to your kitchen.
