ORIENT ELECTRIC

A BRAND THAT STRIVES TO BRING THE BEST OF INNOVATION FOR YOU.

For over 70 years, Orient has redefined comfort and innovation, becoming a trusted name in homes worldwide. With a commitment to blending design, technology, and performance, we craft solutions that enhance everyday living. At the heart of our journey is a dedication to our customers—bringing thoughtful innovations that prioritise comfort, efficiency, and sustainability.

With a continuous focus on product quality and service, we have earned the trust of consumers and expanded to over 1,35,000 retail outlets. Our service network continues to grow, with a presence in over 450 cities.

Moreover, with a footprint in more than 30 countries worldwide and across all states in India, Orient Electric Ltd. is one of the most trusted brands in the electrical lifestyle solutions industry. It has rightly earned the 'Superbrand' award on multiple occasions.

WHY CHOOSE ORIENT ELECTRIC WATER HEATERS

Orient Electric Water Heaters are designed to deliver hot water in the shortest time, while keeping electricity consumption to a minimum. At Orient Electric, 'Safety First' isn't just a motto—it's a commitment. Our water heaters are built with advanced manufacturing processes and the highest quality standards to ensure 100% protection. With a wide range of 5-star rated models, Orient Electric combines technology, comfort, and efficiency to elevate everyday living.

Technology that stands out:

- **Duron Heating Technology** resists corrosion and significantly extends to the life of the heating element even in the toughest hard water conditions.
- **IoT-enabled Technology** that gives you the liberty to operate your water heater from anywhere in the world.
- **Whirlflow Technology** delivers up to 20% more hot water output for enhanced efficiency and comfort.

Duron Heating Technology
For corrosion resistance

Save On Energy
5-star BEE-rated models
cut electricity costs.

Durable Performance
Shockproof body,
glassline-coated element,
and robust anode rod.

Style And Convenience
Sleek design, LED indicators,
and smart features.

20% More Hot Water Output
with Whirlflow technology

Total Safety
5-level shield, precise
thermostat, and
multifunction valve.

Wide Selection
Storage, instant, gas, and
immersion water heaters.

Top Support
Free installation with
Glassline models.

WATER HEATER BUYING GUIDE

WATER TYPE

Hard water contains high levels of Calcium and Magnesium, causing scaling that reduces water heater efficiency. Choose heaters with HPE technology, Magnesium anode rods, glassline-coated tanks and heating elements to prevent corrosion.

PRESSURE PUMP COMPATIBILITY & SAFETY

For high-rise buildings or pressure pump use, ensure your heater has an 8-bar pressure rating and a pressure release valve to prevent tank damage from over-pressured water.

TYPE	CAPACITY/FAMILY SIZE	APPLICATION
Instant Water Heater	3 Litres/1-2 members	Kitchen wash basin
	5.5 Litres/1-3 members	Kitchen wash basin
Gas Water Heater	6 Litres/1-4 members	Ventilated kitchen & bathroom
Storage Water Heater	6-10 Litres/2-3 members	Bathroom - bucket
	15-25 Litres/2-4 members	Bathroom - shower & bucket
	35-50 Litres/2-5 members	Bathroom - bathtub, shower & bucket
	70-100 Litres/2-8 members	Bathroom - bathtub, shower & bucket
Immersion Water Heater	1-1.5KW immersion/1 members	Ventilated & kitchen bathroom

STORAGE WATER HEATERS

Indulge in the ultimate bathing experience with our Ultra Diamond Glassline coated storage water heaters. Designed for high-rise buildings, these models offer superior corrosion resistance, energy efficiency, and a range of stylish options.

- 
Whirlflow Technology
- 
Shock Proof
- 
High-Rise Compatible
- 
Superior Finish

AQUATOR IOT STORAGE WATER HEATER

Aquator IoT allows you the convenience of operating it from anywhere, at any time with the Orient Smart application. The water heater saves both your time & electricity with its innovative Smart & Eco modes.

CUSTOMISE YOUR EXPERIENCE

REAL-TIME STATUS

Check the current working status of your water heater.

SMART MODE

Fast heating with the highest default temperature for quick hot water.

TRACK USAGE

Monitor daily, weekly, and monthly power consumption trends.

MANUAL MODE

Customise and save temperature settings for different family needs.

ECO MODE

Optimal temperature setting to save energy while keeping water warm.

TIMER SETTING

Schedule automatic ON/OFF at desired temperatures for a better experience.

AQUATOR NEO STORAGE WATER HEATER

Aquator Neo, with advanced Duron Technology provides superior corrosion resistance, even in hard water conditions. This ensures a significantly longer life of the heating element, reliable performance, and reduced maintenance—offering you lasting comfort, safety, and peace of mind.

DU RON HEATING TECHNOLOGY For corrosion resistance

Liberty to operate from anywhere with IoT-Enabled operation

Easy operation with Soft Touch Control

40% Longer tank lifespan with Ultra-Diamond Glassline Tank

Corrosion resistant with extended life 27% thicker Magnesium Anode Rod & Glassline coated incoloy heating element

Temperature indication with Digital Display

Power & heating indication with colour changing Smart LED

20% More hot water output with Whirlflow technology

Warranty: 7 year on Tank, 6 year on Heating Element, 2 year on Product

INSTANT WATER HEATERS

RAPIDUS

PRIMUS

Category		Gas	Gas
Model		Rapidus	Primus
Model No.		IWRP55VPS6M3-WB	IWPM03VPS8M3-WW / IWPM03VPS8M4-WW
Mounting Position		Vertical	Vertical
Capacity (L)		5.5	3
Rated Input Power (kW)		3	3/4.5
Outer Body		High-Strength Polymer	High-Strength Polymer
Inner Tank		Stainless Steel	Stainless Steel
Heating Element		Heavy Copper	Heavy Copper
Function Display		N.A.	N.A.
Power & Heating Indicator		Neon	LED
3-Pin Moulded Plug		Yes	Yes
Tank Heat Loss Insulation		Glasswool	Glasswool
Max Pressure Rating (Bar)		6.5	8
Over Pressure Protection		Pressure Release Valve	Pressure Release Valve
Primary Overheat Protection		Thermostat	Thermostat
Secondary Overheat Protection		Thermal Cutout	Thermal Cutout
Ingress Protection		IPX1	IPX1
Available Colours		White-Blue	White
Dimension (mm)	Length	250	230
	Width	255	210
	Height	445	365
	Product	2	2
Warranty (year)	Element	2	2
	Tank	5	5

As product upgradation is a continuous process, designs and specifications are subject to change without prior notice. Warranty applicable in India only.

GAS WATER HEATERS

VENTO PRO

BAHUBALI PRO

Category		Gas	Gas
Model		Vento Pro	Bahubali Pro
Model No.		GWVP06VML8KN-WK	GWBP06VML8KN-WG
Mounting Position		Vertical	Vertical
Hot Water Output (Litre Per Minute)		6	6
Outer Body		Powder Coated Metal	Powder Coated Metal
Buner		Stainless Steel	Stainless Steel
Heat Exchanger		Tin Plated Copper	Tin Plated Copper
Solenoid Valve		Single	Single
Function Display		N.A.	N.A.
Gas Flow Control		Manual Knob	Manual Knob
Temperature Mode		Summer / Winter	Summer / Winter
Power Indicator		Neon	Neon
Primary Overheat Protection		Thermal Cutout	Thermal Cutout
Overheat Protection Timer		20 Minute Auto Off	20 Minute Auto Off
Gas Leakage Protection		Flame Failure Device	Flame Failure Device
Accidental Ignition Protection		Safety On/Off Switch	Safety On/Off Switch
Scaling & Blockage Prevention		Inlet Mesh	Inlet Mesh
Available Colours		White	White
Dimension (mm)	Length	290	290
	Width	140	140
	Height	490	490
Warranty year	Product	2	2
	Element	2	2
	Tank	5	5
