About Us

Established in 2006, Shri Krishna Enterprises, is a renowned supplier, and trader of a wide range of Treatment Chemicals and Industrial Chemicals, highly preferred by our valued clients. Our extensive product portfolio includes Blue Copper Sulphate Crystal, Water Filter Gravel, Edta Disodium Salt, Coconut Shell Activated Carbon, etc. All our chemicals are made by our associates using superior quality raw materials sourced from trusted vendors in the market. Known for their accurate composition, pH stability, high purity, and safe usage, our products are widely appreciated across industries. Our well-equipped infrastructure, supported by modern machinery and skilled personnel, enables us to maintain consistency in quality and meet timely delivery commitments.

Guided by our mentor Mr. Rachit Gupta, whose extensive industry knowledge and ethical approach have been instrumental in our growth, we continue to expand our reach and deliver reliable chemical solutions that meet the evolving needs of our clients.

Key Facts
