About Us

Established in 2024 and headquartered in Ahmedabad, Gujarat, Cretech Pumps LLP has rapidly emerged as a leading manufacturer and supplier of high-quality pumping solutions across India. With a deep commitment to innovation, precision, and reliability, we specialize in a diverse range of pumps designed to meet the rigorous demands of industrial, municipal, and commercial applications.

At Cretech Pumps LLP, we understand that pumps are the lifeline of any fluid-handling system. Whether it is the transportation of clean water, corrosive chemicals, or wastewater, our products are engineered to deliver optimum performance, durability, and energy efficiency. Our expertise spans across Non-Metallic Pumps, Suction Pumps, Sewage Pumps, and Multistage Pumps, ensuring that our clients have access to customized solutions tailored to their unique operational needs.
