About Us

Uprise Antraajaal Private Limited is committed to delivering advanced digital display and connectivity solutions that meet the evolving requirements of commercial and industrial sectors. As a manufacturer and supplier, we focus on combining innovation, precision engineering, and dependable quality to provide products that perform consistently across diverse applications. Every solution is developed with an emphasis on reliability, durability, and seamless integration, ensuring customers receive products that enhance operational efficiency and long-term value. The product portfolio includes Table Top Digital Signage Display, Digital Wall Mount, Male to Female USB Cable, LED Controller Receive Card, Power Supply, and Touch Screen Kiosk, each designed to deliver excellent performance with user-friendly operation and low maintenance requirements. A dedicated team of skilled professionals continuously works towards maintaining superior quality standards, incorporating advanced technology, and ensuring every product offers smooth functionality, stable performance, and energy-efficient operation. Strong quality control measures and customer-focused practices enable us to meet diverse business needs with confidence while building lasting relationships based on trust and satisfaction.

Uprise Antraajaal Private Limited was established in 2022 in Agra, Uttar Pradesh, India, with the vision of providing reliable digital display and electronic connectivity solutions for diverse commercial and industrial applications. We are a manufacturer and supplier of premium-quality Table Top Digital Signage Display, Digital Wall Mount, Male to Female USB Cable, LED Controller Receive Card, Power Supply, and Touch Screen Kiosk. Every product is designed with precision engineering to ensure reliable performance, seamless connectivity, stable output, and long service life while meeting the expectations of modern businesses. We emphasise quality, innovation, and customer satisfaction in every aspect of our operations. Modern manufacturing practices, stringent quality standards, and a commitment to continuous improvement enable us to deliver products that are durable, energy-efficient, easy to install, and highly compatible with varied systems. Every solution is developed to provide dependable performance with minimal maintenance requirements. Through ethical business practices, timely delivery, and consistent product quality, we continue to strengthen our position in the industry while building long-term relationships with customers based on trust, reliability, and excellence.
