About Us

V. M. Industries (INDIA) is a trusted manufacturer, exporter, and supplier of high-quality industrial machinery. Our company has grown into a reputable player in the global market, recognized for our commitment to delivering top-notch products and innovative solutions. With over two decades of experience, we specialize in manufacturing a range of machinery that meets the evolving needs of industries worldwide.

We take pride in consistently innovating and providing machinery that enhances productivity and efficiency. Our product line includes SS Mass Mixer Machine, SS Vacuum Tray Dryer, Oral Liquid Manufacturing Plant, Stainless Steel Tray Dryer, SS Tablet Auto Coater Machine and many more. Every piece of equipment we manufacture is designed with precision and crafted using premium-grade stainless steel, ensuring durability and optimal performance. We are dedicated to maintaining the highest standards of quality across all our products, delivering machinery that meets both national and international quality benchmarks. Our mission is to provide industries with the most reliable machinery solutions that promote efficiency and cost-effectiveness. We understand the unique requirements of various sectors and work closely with our clients to offer customized solutions tailored to their specific needs. Our diverse portfolio includes advanced machines engineered for precision and superior output.
