## About Us

Stainless steel is useful for offering better strength alongside resistance in order to manufacture fasteners. Stainless Bolt Industries Pvt. Ltd., as name implies, is instrumental in serving industrial customers unmatched quality stainless steel industrial fasteners. We are a progressive industrial fasteners manufacturer offering a broad selection of products for supporting requirements of many customers in industries. Our company has been sourcing quality-accredited stainless steel from salient manufacturers in order to conduct our processes in the finest manner possible. Our broad line of products saves time because stainless steel fasteners are smooth to use and install.

We boast rational understanding of modern customers current requirements. Doing so, helps us in gaining repeat business from all over markets. We accurately match orders for fasteners and in return maintain our position better than rivals in the business line. Our company maintains an impeccable line of SS Round Screw, Hex Bolts, Steel Washers, Hex Nuts, Nyloc Nuts, SS Flange Nut, SS Full Thread Stud and allied industrial products for satiating intended customers requirements. We keep up standard designed fasteners in varied types for serving our prestigious buyers in the marketplace. Our manufacturing entity match specified requirements of BS, DIN and IS standards for exceeding satisfaction of our buyers in structural plant, beverage, marine, chemical, food, electronic and couple of more industries.
