**ZOOM 4T**

## 20W40 4T

### 4 STROKE MOTOR BIKE OIL

20W40 4T is a high-performance engine oil specially formulated to deliver superior protection and smooth engine performance in all driving conditions. Designed using advanced additive technology, it ensures long-lasting lubrication, reduced wear, and enhanced engine cleanliness for both motorcycles and passenger vehicles.

#### Recommended

- For 4-stroke motorcycles
- Petrol & diesel engines requiring 20W40 grade
- Everyday commuting and highway riding
- Engines operating in Indian temperature conditions

**Available Pack Size**

900ml, 1Ltr, 50Ltr, 210Ltr

## 15W40

### DIESEL ENGINE OIL

## 15W40

### DIESEL ENGINE OIL

15W40 Engine Oil is a high-performance lubricant specially formulated to provide excellent protection and reliable engine performance across a wide range of temperatures. Developed with advanced additive technology, it ensures consistent lubrication, minimizes engine wear, and helps maintain engine cleanliness. Suitable for both diesel and petrol engines, it supports smooth operation and extended engine life under various driving conditions.

#### Recommended

- Suitable for diesel and petrol engines in passenger cars and light commercial vehicles
- Recommended for tractors and heavy-duty usage
- Ideal for both city driving and long-distance travel
- Compatible with older and modern engines requiring 15W40 grade oil

#### Available Pack Size

1Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## 5W30

### ENGINE OIL

## 5W30

### HIGH PERFORMANCE ENGINE OIL

5W30 Engine Oil is a premium, low-viscosity lubricant designed to deliver superior engine protection and fuel efficiency in modern engines. Its advanced formulation ensures quick cold starts, smooth performance, and reduced friction, helping extend engine life. It also provides excellent thermal stability and keeps the engine clean even under demanding driving conditions.

#### Recommended

- Suitable for modern petrol and diesel engines, including BS6 vehicles
- Ideal for cars requiring improved fuel efficiency and low emissions
- Recommended for city driving with frequent start-stop conditions
- Works well in both low and high temperature environments

#### Available Pack Size

1Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## TQ-ATF

### STEERING FLUID

## TQ-ATF

### STEERING FLUID

TQ-ATF Steering Fluid is a high-quality transmission and power steering fluid formulated to deliver smooth performance and reliable protection. It ensures excellent lubrication, reduces wear, and provides stable viscosity for consistent steering response. Its advanced formulation helps prevent oxidation, foam formation, and deposits, ensuring long service life and efficient system operation.

#### Recommended

- Suitable for power steering systems and automatic transmissions requiring ATF
- Ensures smooth and responsive steering performance
- Ideal for use in passenger cars and light commercial vehicles
- Provides protection against wear, rust, and corrosion under all driving conditions

#### Available Pack Size

1Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## 20W40

### ENGINE OIL

## 20W40

### HIGH PERFORMANCE ENGINE OIL

20W40 Engine Oil is a high-quality multi-grade lubricant designed to provide dependable engine protection and smooth performance in a wide range of operating conditions. Its advanced formulation ensures strong oil film strength, reduces engine wear, and helps keep the engine clean. It performs reliably in both high temperatures and demanding driving conditions, supporting longer engine life.

#### Recommended

- Suitable for petrol and diesel engines in passenger cars and light commercial vehicles
- Ideal for older engines requiring higher viscosity oil
- Recommended for city driving and highway use
- Performs well in warm and moderate climate conditions

#### Available Pack Size

1Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## 20W50 CNG

### CNG ENGINE OIL

## 20W50 CNG

### HIGH PERFORMANCE CNG ENGINE OIL

20W50 CNG Engine Oil is a high-performance lubricant specially formulated for CNG-powered engines. It offers superior protection against high operating temperatures and dry combustion conditions commonly associated with CNG fuel. Its advanced additive system helps reduce engine wear, control deposits, and maintain engine cleanliness, ensuring smooth performance and extended engine life.

#### Recommended

- Suitable for petrol and diesel engines in passenger cars and light commercial vehicles
- Ideal for older engines requiring higher viscosity oil
- Recommended for city driving and highway use
- Performs well in warm and moderate climate conditions

#### Available Pack Size

1Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## UTTO

### WET BRAKE OIL

## UTTO

### UNIVERSAL TRACTOR TRANSMISSION OIL

UTTO (Universal Tractor Transmission Oil) is a high-performance lubricant specially formulated for modern tractors and off-road equipment. It provides excellent protection for transmission systems, hydraulic components, wet brakes, and clutches. With advanced additive technology, it ensures smooth operation, reduced wear, and improved efficiency even under heavy-duty working conditions.

#### Recommended

- Tractors and agricultural equipment
- Transmission and hydraulic systems
- Wet brake and clutch applications
- Farm implements requiring UTTO-grade oil

#### Available Pack Size

1Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## AW-68

### HYDRAULIC OIL

## AW-68

### HIGH PERFORMANCE HYDRAULIC OIL

AW-68 Hydraulic Oil is a premium anti-wear hydraulic fluid formulated to deliver reliable performance in high-pressure and heavy-duty systems. Blended with advanced additives, it provides excellent wear protection, oxidation stability, and resistance to rust and corrosion. Its superior viscosity characteristics ensure smooth operation, improved efficiency, and longer equipment life even under demanding working conditions.

#### Recommended

- Hydraulic systems in industrial machinery
- Construction and earth-moving equipment
- Hydraulic presses and injection molding machines
- Mobile equipment operating under high load conditions

#### Available Pack Size

1Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## COOLANT

### RADIATOR COOLANT

## EP-90

### RADIATOR COOLANT

Coolant is a high-quality engine cooling fluid designed to regulate engine temperature and prevent overheating. It offers excellent heat transfer, protection against rust and corrosion, and prevents scale formation in the cooling system. Formulated for long-lasting performance, it helps maintain engine efficiency and extends engine life in all weather conditions.

#### Recommended

- Cars, bikes, and commercial vehicles
- Radiators and cooling systems
- Petrol and diesel engines, All-season engine cooling and protection
- Agricultural and industrial machinery

#### Available Pack Size

1Ltr, 3.5L 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## EP-90

### GEAR OIL

## EP-90

### HIGH PERFORMANCE GEAR OIL

EP-90 Gear Oil is a high-performance extreme pressure lubricant designed for heavy-duty gear systems. Formulated with advanced additives, it provides excellent load-carrying capacity, superior protection against wear, and resistance to rust and corrosion. It ensures smooth gear shifting, reduced friction, and long-lasting performance even under high load and shock conditions.

#### Recommended

- Manual gearboxes and differentials
- Hypoid and spiral bevel gears
- Commercial vehicles and passenger cars, Agricultural and off-road equipment
- Machinery operating under heavy load and extreme pressure conditions

#### Available Pack Size

1Ltr, 3.5L 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## PSO

### PUMP SET OIL

## PSO

### HIGH PERFORMANCE PUMP SET OIL

PSO Pump Set Oil is a high-quality lubricant specially formulated for agricultural and industrial pump sets. It provides excellent lubrication, engine cleanliness, and protection against wear, rust, and corrosion. Designed to perform under continuous operation, it ensures smooth engine performance, reduced maintenance, and longer equipment life even in tough working conditions.

#### Recommended

- Diesel and petrol engine pump sets
- Agricultural irrigation pumps
- Rural and farm-based machinery requiring reliable lubrication
- Small engines operating under continuous load

#### Available Pack Size

1Ltr, 3.5L 5Ltr, 10Ltr, 20Ltr, 50Ltr, 210Ltr

## RED GEL GREASE

### ALL PURPOSE LONG RUN GREASE

## RED GEL GREASE

### HIGH PERFORMANCE GREASE

APLR Grease is a high-performance multipurpose lubricant designed to provide excellent protection under heavy load and extreme operating conditions. It offers superior adhesion, water resistance, and protection against wear, rust, and corrosion. Its strong film strength ensures long-lasting lubrication, reduced friction, and smooth operation of moving parts.

#### Recommended

- Automotive and industrial applications
- Wheel bearings and chassis lubrication
- Heavy-duty machinery and equipment
- Agricultural and construction equipment

#### Available Pack Size

1Kg, 5Kg, 10Kg, 18Kg, 50Kg, 180Kg
