About Us

Aina Crafts is a trusted name in the world of premium leather goods. Established in 2013 in Kanpur, Uttar Pradesh, we have grown into a reputed manufacturer, trader, and supplier of finely crafted leather products. With a strong commitment to quality and craftsmanship, we deliver products that combine elegance, functionality, and durability. Over the years, we have built long-term relationships with clients by consistently offering value-driven solutions for both personal and professional use.

We take pride in presenting a wide collection of leather products that cater to modern lifestyles and professional needs. Our portfolio includes Leather Messenger Side Bag, Leather Office Laptop Bag, Leather Notepad Cover, Equestrian Leather Belt and Western Leather Belt. Each product is designed using high-quality leather, skilled workmanship, and attention to detail. From corporate essentials to stylish accessories, our range is crafted to add both sophistication and reliability to everyday life. Quality is at the core of everything we create. Every product undergoes a thorough process of design, selection, and finishing to meet the highest standards. Our skilled artisans blend traditional techniques with contemporary innovations, ensuring that every piece is durable, stylish, and comfortable to use. With strict quality checks at every stage, we ensure that our customers receive only the best.
