A long, narrow, brown carpet runner with decorative borders. The runner is laid out on a light-colored, wrinkled fabric surface. The central part of the runner is a solid brown color. On both the left and right sides, there are decorative borders. Each border consists of a central stripe of white and tan diamonds, flanked by thin black lines, and an outer edge of red diamonds.

7702

7703

A long, narrow, dark grey fabric strip, possibly a piece of clothing or a decorative element, is laid out vertically. It features two vertical stripes of intricate patterns. Each stripe consists of a central gold band flanked by red borders, all set against a dark background. The patterns appear to be woven or knitted. The fabric is laid on a light-colored, wrinkled surface.

7705

7707

A long, narrow rug with a striped pattern of black, grey, and yellow. The rug is laid out on a light-colored floor, and the stripes run parallel to its length. The pattern consists of alternating bands of black, grey, and yellow, with the yellow bands being the most prominent.

3401

3FT width Only

A red rug with vertical stripes in red, black, and cream. The stripes are of varying widths and are set against a background of red. The rug is laid out on a grey surface.
