About Us

Over the past two decades, there has been a substantial shift in the looks of flooring that people prefer to use for different buildings including offices, homes, banks, etc. With the aim of providing our customers with an effective flooring solutions at affordable rates, Tankaria Industries Private Limited began operating in the year of 2010 from Ahmedabad, Gujarat, India as a manufacturer, exporter, supplier, trader and service provider. Our offered products include Carpet Tiles, Bolted Stringer System, Anti Static Vinyl Tiles, Corner Lock System and many more. Our products are well-known in the industry for their extraordinary strength, and aesthetic appeal. Our flooring options are suitable for a variety of locations and these are demanded across the world. To meet the global demands, we export 20% of our products to clients in nations like Sri Lanka, Nepal, South Africa, and the United Arab Emirates.

In order to ensure that our flooring products are as per the highest quality standards, we manufacture them using cutting-edge equipment and materials. To carry out our manufacturing process, we have maintained a sophisticated manufacturing unit that is run by a team of manufacturing experts who are passionate about bringing changes in the industry. We make sure to provide our manufacturing experts with essential training sessions under the expertise of industry experts.
