About Us

Welcome to Velqor Ventures, a trusted trader and exporter specializing in a comprehensive range of industrial valves and fittings. Based in India, we offer high quality products including Ball Valve, Check Valve, Connect Coupling, DRV Flow Control Valve, SS Needle Valve and much more. Our extensive portfolio caters to diverse industries such as manufacturing, oil and gas, pharmaceuticals, and chemical processing, ensuring reliable flow control and operational efficiency.

We prioritize quality and customer satisfaction. We source our products from reputed manufacturers who adhere to international standards, guaranteeing durability, precision, and performance. Our team of experts works closely with clients to understand their specific requirements and provide tailored solutions that optimize system functionality.

We are committed to timely delivery, competitive pricing, and excellent after sales support, making us a preferred partner in the global valve market. Whether you need standard valves or customized fittings, we deliver dependable products that meet stringent industry demands.
