About Us

Infinity Autotech is a trusted Manufacturer, Supplier and Exporter in the manufacture of high performance Shredder Knives, Forklift Parts and Shredding Machines. All our products are available at cost-effective prices to our clients. Our dedication to precision engineering and customer satisfaction has made us a reliable choice for industries requiring long-lasting and effective material handling and shredding solutions.

Our products are built to withstand the strict requirements of today's industrial applications. Our technical expertise and advanced manufacturing practices enable us to provide solutions that improve productivity, reduce downtime, and provide long-term operational reliability. We serve industries ranging from recycling, waste management, logistics, warehousing, manufacturing and material processing. Quality is a part of all operations. From raw material procurement to final inspection, every process is closely monitored to ensure compliance with stringent quality standards. We strive for precision, durability, and quality in our manufacturing process, ensuring products that consistently deliver to customer expectations.
