## About Us

Established in 2024, Bansal Evergreenss LLP is a manufacturer and supplier of Copper Wire and Copper Rod based in Bhavnagar, Gujarat, India. We are focused on serving the evolving requirements of industries that depend on reliable copper products for electrical, engineering, manufacturing, fabrication, and allied applications. With an emphasis on product consistency, responsible sourcing, efficient processing, and dependable order fulfilment, we strive to build long term relationships with customers across diverse business segments. Our product portfolio includes Copper Wire and Copper Rod, manufactured and supplied with attention to dimensional consistency, surface quality, material performance, and application requirements. We understand that copper products play an important role in electrical conductivity, component manufacturing, and industrial operations; therefore, maintaining dependable product standards is central to our approach.

As a growing enterprise, we combine a practical understanding of customer requirements with a commitment to responsive service. Our team works to understand specifications, quantities, delivery expectations, and other commercial requirements before fulfilling orders. We aim to make procurement convenient through transparent communication and timely coordination. At Bansal Evergreenss LLP, our vision is to establish ourselves as a trusted name in the copper products industry through quality focused practices, reliable supply capabilities, and continuous improvement.
