

🐄 Isabgol Seed (De Husked)

Rich in Dietary Fiber – Supports Better Digestion
 High TDN Value (90%) – Provides Maximum Nutrition
 Boosts Milk Production in Cattle
 Keeps Cattle Naturally Cool – Prevents Digestion & Repetition Issues

🐄 Isabgol Lali

Naturally contains 12% to 14% oil
 Helps in increasing milk yield and fat
 Soaked in 4 times water, it boosts blood levels
 Feeding 500g daily per cattle is highly beneficial

🐄 Isabgol Powder (Khakho)

Powder obtained while grinding psyllium husk is called “Khakho”
 Giving 250g daily at night in 3-4 times water
 Helps to clean stomach impurities and reduce acidity

🐄 Premix Feed

Premix Feed – A Complete Balanced Cattle Feed
 Contains psyllium products, grains, pulses flour, wheat bran & corn husk
 Promotes higher milk yield and increased fat content
 For every 1 liter of milk, mix 500g Premix Feed with 3 times water and give to cattle

🐄 Healthy Maize Oil Cake

Corn germ blended with fiber to make nutritious husk
 Naturally rich in oil and protein

ANIMAL FEED

Amar Maize Oil Cake

Premium Quality Corn Germ Meal

Contains around 8%–9% oil and 22% protein

Feeding helps in increasing milk yield, fat, and SNF (Solid-Not-Fat)

Daan

Daan – A General Cattle Feed

Contains 1.5% fat and 19% protein

Provides a balanced diet for healthy cattle

Helps cattle to stay hydrated and healthy

Sardar Feed

Sardar Feed – 5mm Pellet Cattle Feed

Contains psyllium products, various pulses flour, wheat bran, molasses, etc.

Promotes healthy cattle and excellent milk production

For 1 liter of milk, feed 500g pellets with 3 times water

Goat Feed

Balanced Nutrition for Goats and She-Goats

Contains psyllium balls, lal, chana flour, molasses, and tilibiya products

Feed 500g per goat and 400g per she-goat, twice daily

Supports weight gain in goats and increased milk production in she-goats

Horse feed

Horse Feed – Nutrient-Rich Formula

Specially formulated to meet the dietary needs of horses

Supports weight management and strengthens immunity

Feed 1-2 kg daily per horse, adjust quantity based on activity level

ANIMAL FEED

Gut Cleaner Horse

Natural Supplement – Supports gut health and cleanliness
Reduces the risk of colic and other digestive issues
With psyllium-based fibers, it promotes smooth digestion
Helps keep your horse healthy and active

Linseed Oil

Linseed Oil – Rich Source of Omega-3 Fatty Acids
Supports skin, coat, and overall health of animals
Especially beneficial for horses, cows, goats, and other livestock
Improves coat and skin health, enhances reproductive health, boosts immunity, and enhances feed quality

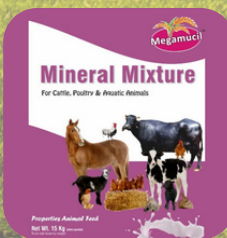

Milko Pellet

Milko Pellet – Specially formulated for dairy cows and buffaloes
Increases milk production and improves digestive health
Strengthens bones and muscles
Feed 500g to 1kg daily per animal, adjust quantity based on size and milk production needs

Fato Pellet

Fato Pellet – Helps animals gain weight healthily
Formulated with protein and fat-enhancing nutrients
Increases body fat, improves milk quality, and enhances skin & coat health
Feed 500g daily per animal for healthy weight gain and better milk production

Mineral Mixer

Mineral Mixer – Increases milk production and reproductive efficiency
Reduces inter-calving period and improves growth rate in calves
Usage Instructions: Goats, Sheep, Pigs: 40–60g, Horses (male & female): 60–100g, Cows, Buffaloes, Camels: 100g
Poultry: 1 kg per 1 ton of poultry feed

ANIMAL FEED

Foul Feed Horse

This feed is specially formulated to support the healthy development of foals, giving them the best start in life.

Promotes Excellent Growth

Boosts Overall Health

Enhances Coat Shine

Feed 500g to 1kg, twice a day.

Tuvar Churi

Rich source of protein and energy for livestock

Enhances milk production in dairy animals

Improves digestive efficiency for better nutrient absorption

Keeps animals active and healthy

Helps increase the fat percentage in milk

Urad Churi

Excellent source of protein and essential vitamins

Supports healthy growth of calves, kids (young goats), and other young animals

Strengthens the digestive system for better feed utilization

Enhances immunity and disease resistance

Provides long-lasting strength and vitality to livestock

Chana Churi

Packed with protein and carbohydrates for complete animal nutrition

Helps improve milk fat percentage in dairy animals

Provides strength and stamina for working animals like camels, horses, and bullocks

Easily digestible and gentle on the stomach

Ensures animals remain active, healthy, and productive

Soya Churi

Contains the highest protein content (40–45%) among cattle feed ingredients

Increases milk yield and enhances SNF (Solid-Not-Fat) levels in dairy cows and buffaloes

Promotes rapid weight gain in livestock

Improves coat shine and maintains overall animal health

Ensures animals remain strong, active, and productive

ANIMAL FEED

Liver Tonic

A natural supplement that supports liver health and efficiency
Promotes detoxification and enhances overall immunity
Especially beneficial for animals with high nutritional requirements
Helps maintain overall health and vitality
50–100 ml daily to support liver function and general well-being

Mare Cares Pellets

Enriched with bulk-forming fiber to naturally and safely remove sand particles from the colon
Ideal for horses grazing on sandy soils or spending time in sandy arenas
Relieves constipation and keeps the digestive system functioning smoothly
Promotes quicker and easier dung elimination
Formulated with premium ingredients: Psyllium husk (Isabgol), Bentonite, Linseed oil
Expands in the intestine by absorbing fluids, helping prevent blockages caused by sand and foreign particles
Nutritional Analysis: Crude Protein: 14%, Crude Fiber: 4.7%, Crude Ash: 28.2%, Sodium: 0.7%, Fat: 8%
Usage Instructions: Mix with the regular ration 7 consecutive days per month, Adult horses: 1 full scoop (200 g), twice daily, Ponies, Yearlings & Weanlings: ½ scoop (100 g), twice daily
(Scoop included in pack)

ANIMAL FEED

WHY CHOOSE MEGAMUCIL ANIMAL FEED?

 **Premium Quality Ingredients:** Our products are made from superior and natural ingredients to ensure your animals receive the best nutrition and health.

 **Scientifically Formulated:** Each feed product is carefully balanced with nutrients, fiber, and minerals to support animal growth and overall health.

 **Trusted by Farmers:** MegaMucil is a reliable name in animal feed, trusted by farmers across the country with years of proven experience.

 **Affordable & Effective:** We provide high-quality products at competitive prices, ensuring the best value for your investment.

 **Eco-Friendly:** Our processes are designed with sustainability in mind, ensuring a greener future for both animals and the planet.
