About Us

Steel Structure Infra Projects, founded in 2021 and based in Hapur, Uttar Pradesh, India, stands as a trusted Manufacturer and Supplier specializing in high quality steel structural solutions. With a strong commitment to innovation, precision, and client satisfaction, we offer a comprehensive range of products designed to meet diverse industrial and commercial infrastructure needs. Our product portfolio includes Pre Engineered Building, Polycarbonate Sheet Structure, Mild Steel Fabrications, Mezzanine Building and so on. Backed by advanced manufacturing facilities and a skilled workforce, we maintain strict quality control to guarantee robust products that stand the test of time and environmental challenges. Our dedication to using premium raw materials and following industry standards reflects in every project we undertake.

Serving various sectors, we pride ourselves on timely delivery, competitive pricing, and responsive after sales support. Our customer centric approach drives us to build enduring partnerships by understanding and exceeding client expectations. We envision being a leading name in the steel construction industry empowering infrastructure growth with innovative, strong, and sustainable steel solutions.
