**EQUAL T LADDER CABLE TRAY**

**SS PERFORATED CABLE TRAY**

**HORIZONTAL BEND CABLE TRAY**

## About Us

Electronedge Private Limited is committed to bringing innovation, durability, and precision to all its manufactured and supplied product ranges. The company covers the scope of all industrial applications so it comes to the sector uniquely focused on engineering and functional design. Included in their respective product range are equal t ladder cable trays, horizontal bend cable trays, pre-galvanized rectangular cable trays, ss perforated cable trays, ss emergency doors, ss hmps doors, and clean room view panels. Each category of product framework is designed with the changes happening in safety, performance, and appearance requirements. It is easy to get caught up in the product range, but ultimately it is the intention behind the product design that distinguishes us. Each unit has been designed in a way to take on corrosive conditions and rugged conditions; long-term reliability is not negotiable. The clean finish, straight edge, alignment, and effective structural design allow for simple integration and support functional load ratings.
