About Us

Shree Ram Food Products (India) is a prominent dairy company based in Gujarat, India, operating nationally and internationally since 2020. They manufacture and trade a wide range of milk products including cultured butter ghee, cow ghee, buffalo ghee, white butter, butter oil, casein, cream, and other dairy products, as well as margarine.

Certified with ISO 9001:2015, US FDA, and FSSAI, the company sells products under the brand name "Shreenavya", "Shreemruth", "Nandmadhav", "Jay Ramdev", "Dwarkesh" and is a preferred supplier for India's top ice cream manufacturers, restaurants, hotels, bakeries, and cafes, ensuring a year-round supply of dairy ingredients. Shree Ram Food Products is a leading private-sector manufacturer and processor of ghee and other dairy products in Gujarat, with modern infrastructure and a production capacity of 250 tons of pure ghee per month.

Quality Focused

Shree Ram Food Products (India), established in ----, prioritizes quality above all else. They are registered with US FDA, ISO, and FSSAI, underscoring their commitment to high standards. The company operates a well-equipped microbial laboratory to combat adulteration, meticulously testing raw materials (cream and butter) at the initial stage to ensure only top-grade ingredients are used in production.
