## About Us

With a rich industrial experience and advanced technology, we, Parsv Enterprises are offering a wide range of precision engineered rubber products to our valuable customers. Our products are manufactured by using premium quality raw materials that are sourced from reliable and trustworthy vendors. We are an ISO 9001 & ISO 14001 certified company and are an eminent manufacturer, supplier and stockist of a wide range of products like Rubber Hose Pipes, Rubber Sheets, P.V.C. Nylon Braided Hose Pipes, Steel Wires, Fire Fighting Canvas Hoses & Fire Equipment, Hardware & Mill Store Items, etc. Our wide reach in Indian market can be attributed to our in-depth knowledge of the industry.

We give high importance to the packaging of our products and use fine quality packaging material to safeguard our products against any possible damage that may occur in transit. We use materials like strong corrugated boxes, which provides complete safety to the packed products. Our packaging personnel ensure that packages are properly marked and clearly state the client's address. The lot size and number is clearly mentioned on every carton.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	fire sprinkler,fire hose,fire hydrant systems,fire equipment,fire extinguishers,
<b>No of Staff</b>	10
<b>Year of Establishment</b>	2007
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	fire sprinkler,fire hose,fire hydrant systems,fire equipment,fire extinguishers,

## Our Products

**Portable Fire Extinguisher**

**Hose Nozzles**
