## About Us

Established in 2014 and based in Kolkata, West Bengal, Ceres Material Handling is a trusted name in the material handling industry. We specialize as a Manufacturer, Trader, Service Provider, and Supplier, offering a wide range of solutions for various industrial needs. With years of experience and a passion for quality, we aim to deliver dependable products and professional services that help businesses operate smoothly.

Our portfolio includes essential handling equipment like Link Chain Wheel, Forklift Repairing Service, Hand Pallet Truck, Rental Services and Nylon Trolley Wheel, tailored to meet short-term or long-term operational requirements. Each product and service is designed to enhance efficiency, reduce downtime, and support seamless workflow in warehouse, logistics, and industrial environments.

We believe in building long-term relationships with our clients by providing prompt support and customized solutions. Whether you are looking to buy equipment, repair existing machinery, or rent for temporary use, we provide flexible options to suit different business models. Our dedicated professionals are always ready to assist you at every stage, ensuring a smooth and satisfying experience. Over the years, we have earned a strong reputation for dependability and professionalism. We take pride in being a single-stop destination for material handling needs, catering to a wide range of industries. Our vision is to continue growing through honest practices, technical excellence, and customer-focused strategies.
