About Us

We, Golden Precision Products Pvt. Ltd., started our business from Mumbai, India in 1993. With every passing year, we registered tremendous growth in the business and expanded our operations. Today, with high pride, we introduce ourselves as a leading manufacturer and exporter in our field with a remarkable portfolio of products that includes AMTL Organic Brake Pad, Industrial Friction Disc, Roll Linings, MKM Wet Brake Disc, Steel JCB Charging Pump, Tractor Brake Plate, etc.

In our almost three-decade-long journey, we have always paid attention towards maintaining quality and attaining customer satisfaction.

We have constantly strived to improve our production capabilities and offer a wide range of products to our OEM and customers. We are supplying our products for use in many industries, including Mining, Earthmoving, Construction, Agriculture, Buses, Marine, Heavy Presses and Machine Tools. Our business entity has maintained its manufacturing facility of over 60,000 sq. It is approximately 90 kilometres from Mumbai. In these premises, we develop all the offered products in standard dimensions as well as in customized form as per the requirements of customers.
