About Us

Established in 1983 by Shree Upendrabhai D. Patel, a Mechanical Engineer, in partnership with Electro Chem, our company was founded with a singular goal: to deliver high-quality products using the latest technology. Initially specializing in electroplated plastic injection-moulded components, we quickly earned our reputation as an A-category vendor for prominent brands like Crompton, Usha, Orient, Voltas, Blue Star & Crear.

Raameshth Electro Plasta Private Limited is a professional firm who specialize in developing quality industrial products for diverse use in the major markets of India. Operating from high specifications, we have secured a leading position in this competitive marketplace as a reliable manufacturer and supplier. We have become an industry leader in manufacturing Textile Cones, Textile Bobbins, Plastic Perforated Cone, Plastic Y Cone, Plastic T Cone, P TFO Roll, Plastic TFO Roll, Jari Cone, Perforated Tube, Plastic Tube, TFO Bobbin, Plastic Bobbin, etc.. Our range is made available in exceptionally high standards of quality in various finishes and sizes. Also, we have invested heavily in bespoke systems to ensure that every finished product is near to perfect.
