## About Us

We are Manufacturer, Exporter and Supplier of high quality Safety Matches, Kitchen Safety Matches, Wax Safety Matches, Wooden Safety Matches, Match Boxes, Wooden Matchsticks. Our products are available in varied grades and specifications as per the requirement of the customers. These are appreciated and largely availed by the clients for their features like Single Strike Ignition, Moisture Proof, Longer Burning Time and Affordable prices.

We have industry best professionals to manufacture products in accordance with the market standards. Herein, we keep our focus on customer's requirement and product application in a particular industry. This gives us a clear view of the kind of product that is to be developed. Raw material we use are tested on several parameters and then only used in the product development process after complete assurance from the quality controllers. Our production managers acutely supervise the entire production process and strive to eradicate any flaw even before manufacturing. This makes our products free from manufacturing defects.

We are supported by well qualified and skilled employees who have rich experience in their respective fields, which makes us to understand market trends very well and deliver only the best quality products to our clients. All these factors have enabled us to hold a strong position in the market.
