About Us

Established in 2013 and headquartered in Pune, Maharashtra, Calcraft Constructions Private Limited has swiftly evolved into a leading name in the industrial construction sector. With nearly a decade of consistent growth and excellence, Calcraft stands as a beacon of quality and innovation in delivering comprehensive industrial building solutions. Our journey began with a clear mission to provide robust, efficient, and tailored construction services to industrial clients who demand nothing but the best in quality and reliability.

Since inception, Calcraft Constructions has focused on adopting the latest construction technologies and best industry practices. Over the years, we have built a strong reputation across Maharashtra and beyond, supporting the rapid growth of industrial infrastructure in India with sustainable, cost-effective, and innovative building solutions.
