About Us

Qanbay Sensors is a name synonymous with industrial automation and sensor technology. With its unflinching belief in precision, innovation, and customer satisfaction, Qanbay Sensors has established itself as a reliable manufacturer, supplier, and trader of sensors. From humble beginnings to our current position, we have remained true to quality, reliability, and the latest technological advancements. Our offered range includes Compact Short Stroke, Analogue Output Non-Contact Magnetostrictive Sensor, Proximity Sensor, Laser Distance Sensors, Optic FRP Amplifier, and more.

Qanbay Sensors founded in 2022, in Pune, Maharashtra, India, manufactures, supplies, and trades Safety Light Curtain, Analogue Output Non-Contact Magnetostrictive Sensor, Proximity Sensor, Laser Distance Sensors, Optic FRP Amplifier, and more.
