About Us

Susmatex is a reputed manufacturer, supplier & exporter of textile machinery. We are well known for knit braiding and narrow fabric machines since a decade and widely acclaimed for our international standard products, viz., Fast Knit Braiding Machines, Warping Machines, Needle Looms, Tape Finishing Machines, Measuring & Winding Machines and Special Purpose Machinery.

Our full effort, devoted for customers' satisfaction, starts from their exact need upto commissioning of the machines. We ensure prompt after sales service and understand customers' production program. We are always on a pace of modernization & improvement of our products, based on field feedback, customers' suggestions, requirements and constant effort on R&D.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	Mattress Tape Making Machine,Electronic Jacquard High Speed Neddle Loom Machine,Elastic Tape Machine,PP Tape Making Machinery,Belt Making Machinery,Twill Tape Making Machinery,Crepe Bandage Machinery,High Speed Braiding Machine,Braiding Machine,web sealing machine
No of Staff	19
Year of Establishment	1996
OEM Service Provided	No
Memberships	ITMMA, IMA
ProductRange	Mattress Tape Making Machine,Electronic Jacquard High Speed Neddle Loom Machine,Elastic Tape Machine,PP Tape Making Machinery,Belt Making Machinery,Twill Tape Making Machinery,Crepe Bandage Machinery,High Speed Braiding Machine,Braiding Machine,web sealing machine

Our Products

High Speed Needle Loom Machine SMT 6-

Cord Winder Machine

Warping Creels

Needle Loom Machines

Measuring & Winding Machine

Needle Loom Machine

Needle Loom Machinery 250x250

High Speed Needle Loom Machine

Elastic Making Needle Loom Machine

Ribbon Making Needle Loom Machine 250x250

High Speed Narrow Fabric Needle Loom

Jumbo Bag Loom Machine

Measuring & Roll Winding Machinery

Measuring Roll & Spool Winding Machine

Curtain Making Needle Loom Machine

Yarn Combine Machine
