About Us

Founded in 2023, Zitroen IoT Private Limited is a Pune-based manufacturer, supplier, and trader of advanced lighting solutions such as 24Watt LED Square Panel Light, 40W Solar LED Street Light, Solar High Mast Light, Microwave Sensor, Concealed Lights, Street Lights, and Flood Lights. At Zitroen IoT, we are committed to creating smart, sustainable, and cost-efficient products that combine innovation with reliability. Our portfolio also includes Solar Portable Blinkers, Stadium Lights, and Square Panel Lights, designed to cater to diverse industrial, commercial, and residential needs. We also delight customers with our installation, maintenance, and many other reliable after sales support services.

With every product, we aim to conserve energy, reduce costs, and promote environmental responsibility. Guided by innovation and a passion for technology, Zitroen IoT is dedicated to shaping a brighter and greener tomorrow.
