About Us

IDEX SCAFFOLDING is a manufacturing company with in-house forging facilities, located in Vadodara, Gujarat- the first of its kind in Gujarat. With a strong focus on safety, durability, and precision, we specialize in producing a wide range of scaffolding components, including Walkway Planks, Toe Board Guards, MS Box Pipe Planks, Cup Lock Systems, and other related products. Our offerings are designed to meet the demanding requirements of modern construction projects, ensuring maximum strength, stability, and reliability at every stage.

Backed by advanced manufacturing technology and a skilled workforce, IDEX Scaffolding Pvt. Ltd. maintains stringent quality control throughout the production process. Each product is tested for accuracy, load-bearing capacity, and safety compliance to deliver long-lasting performance on-site. Our infrastructure, combined with innovative design and engineering expertise, enables us to cater to both large-scale industrial projects and small construction needs efficiently.
