## About Us

Established in 2025, Fonir Global Private Limited is a trusted manufacturer and trader. Based in Delhi, India, we specialize in offering a wide range of industrial, agricultural, and food products that cater to both domestic and global markets. Our mission is to deliver products that combine quality, innovation, and value, ensuring customer satisfaction at every step. We offer a versatile portfolio that includes Frozen Food, Coir Products, LDPE Sheets, Stainless Steel Utensils & Spices, etc. Each product is designed or sourced with strict quality standards to serve industries, farmers, and households alike. Whether it is durable materials for industrial use, reliable agricultural solutions, or fresh and nutritious food products, our expertise lies in delivering excellence across diverse sectors.

We never compromise on quality. Our team ensures that every product undergoes rigorous checks before reaching the client. By combining modern techniques with deep industry understanding, we provide solutions that are safe, reliable, and long-lasting. This commitment to quality allows us to meet the expectations of industries, agricultural communities, and end-consumers with equal efficiency.
