About Us

At Meridian Trade Solution, we are dedicated to being a reliable partner in the field of industrial raw materials and chemical supplies. Established in 2025 in Vadodara, Gujarat, India, we operate as a trader and supplier with a strong focus on delivering quality products to diverse industries. Our mission is to provide clients with dependable solutions that enhance efficiency and support their business growth. We specialize in a wide range of products including Industrial Acid, Industrial Chemical, Caustic Soda Lye and Caustic Soda Flakes. Each product is sourced from trusted manufacturers and goes through strict quality checks to ensure it meets the required industry standards. By offering high-performance products at competitive prices, we aim to cater to the needs of industries such as textiles, pharmaceuticals, paper, water treatment, and more.

Quality remains the foundation of our operations. We ensure that every supply is carefully handled, stored, and delivered with utmost care. By maintaining consistency in quality and reliability, we help our customers achieve seamless operations in their processes. Our team continuously monitors product standards and adheres to industry guidelines to maintain long-term trust. Located in Vadodara, one of India's major industrial hubs, Meridian Trade Solution is strategically positioned to serve clients across India and beyond. Our strong supply chain network allows us to meet bulk requirements and ensure timely delivery. We value lasting relationships and believe in building partnerships that contribute to the mutual success of both our clients and our company.
