## About Us

Horizon Global Trade, established in 2023 in Ahmedabad, Gujarat, is a rapidly growing supplier, exporter and trader of engineering products, industrial machinery, automation systems, and safety solutions. We cater to the diverse needs of Steel Manufacturing, Cement, Textile, Chemical, Oil & Gas, Food & Beverage, and Pharmaceutical industries with a focus on quality, reliability, and long-term performance.

Though young, Horizon Global Trade is expanding aggressively, building a strong supply chain network, partnering with reputed manufacturers, and continuously adding value-driven products. Our vision is to become a one-stop sourcing partner for industries worldwide, ensuring efficiency, innovation, and safety. Founded in 2023 and headquartered in Ahmedabad, Gujarat, Horizon Global Trade is a dynamic supplier and trader of industrial components for power and furnace applications. We specialize in Semiconductor Fuses, Thyristors, Induction Furnace Spares, Melting Furnace Coils, Selector Switches, and Complete Furnace Assemblies compatible with any KW-rated power supply unit.

Our mission is to deliver reliable, high-performance products that enhance efficiency, safety, and productivity for our clients. With a focus on quality assurance, competitive pricing, and prompt customer support, we serve a diverse range of industries that rely on precision and durability in their operations. Backed by technical expertise and a strong supplier network, we are committed to building long-term partnerships with our clients while continually adapting to industry advancements. At Horizon Global Trade, we do not just trade products, we deliver trust, value, and excellence.

<b>No of Staff</b>	20
<b>Year of Establishment</b>	2023
<b>OEM Service Provided</b>	No

## Our Products

**Three Roll Reducing Sizing Mill**

**Rolling Mill Rolls**

**Power Supply Spares**

**Melting Furnace Coil**

**Industrial Roller**

**Tungsten Carbide Roll And Rings**

**LMM Coking Equipment**

**DBxe End Suction Pump**

**Coreless - Steel Frame Induction Melting**

**DSM Series**

**Melting Furnace Coil**

**Rolling Mill Stands**

**Induction Furnace Spares**

**Selector Switches**

**Lubrication Systems**

**MF-MF-E-MF-V Pump**
