

## INDUSTRIAL STEAM IN PLACE MACHINE

YOUR PARTNER IN ALL RIGHT CHOICES

Agitated Thin Film Evaporator, Agitator Vessels, Air Classifier Mill, Air Cooled-Finned Tubes Heat Exchangers, Air Vents, Anchor Agitator, Bag Filter, Bag Filtration Plant, Basket Filter, Belt Conveyors, Bin Actuators, Bin Dischargers, Bin Vent Filters, Blade Agitator, Blow Thru RAL Rotary Air Valve, etc.

Self Cleaning Filter (Piston operated)

**PISTON OPERATED SELF-CLEANING  
FILTER**

Self Cleaning Filtration Plant

**SELF-CLEANING FILTRATION  
PLANT**

**PASTE FILTER**

## About Us

T.E.A.M. Engineer's Multi-Equipment And Multi-Services Pvt. Ltd., based in Pune, Maharashtra, India, is a distinguished manufacturer and service provider in the engineering and industrial sectors. Our name, T.E.A.M., is a powerful acronym for Team-Engineering-Advance-Manufacturers, a philosophy that defines our core identity. It reflects our collaborative spirit and our relentless pursuit of engineering excellence and manufacturing innovation. We are driven by a singular mission: to be a catalyst for advancements and improvements across the industries we serve. Our ultimate goal is to achieve total customer satisfaction by delivering solutions that are both high-quality and timely, all while staying within budget. We believe that true success is built on a foundation of trust and long-term relationships, which we foster through synergy and coordination among our expert team.

T.E.A.M., An Engineering Process Equipment mfg. Company was incorporated on May 19th, 2000 under the name M/s A. S. Engineers and now merged into a Pvt. Ltd. company as M/s T.E.A.M. Engineers Multi-Equipment & Multi-Services Pvt. Ltd. on Nov. 25th, 2020, reached the ladder of being one of the reputed and reliable organizations, engaged in the design, manufacturing, and supply of all kinds of industrial process equipment. T.E.A.M., An Engineering Process Equipment mfg. Company is a fast-growing company, committed to delivering world-class quality Products & Services on the lowest budget, with the highest standard & OTD (On Time Delivery) using professional, technical knowledge & 20+ years of solid experience in multi-products, equipment & services.

T.E.A.M., An Engineering Process Equipment mfg. Company constantly strives to improve our products, services, and process quality using 5S, Kaizen, Poke-yoke, QMS, EMS & OHSAS. T.E.A.M., An Engineering Process Equipment mfg. Company offers to companies who are in key industries with chemical process engineering, mechanical engineering, drafting, etc. We undertake CS, MS & stainless steel fabrication on-site or depending upon the type of job.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	static process equipment,rotary process equipment
<b>No of Staff</b>	30
<b>Year of Establishment</b>	2020
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	static process equipment,rotary process equipment

## Our Products

Multi Cartridge Filter

**Multi Cartridge Filter**

**Industrial Fluid Bed  
Dryer**

**Industrial Steam In  
Place Machine**

Cartridge Filter

**Cartridge Filter**

Self Cleaning Filtration Plant

**Self Cleaning  
Filtration Plant**

**Candle Filter**

**DSM Screen Filtration  
System**

Bag Filter

**Bag Filter**

Single Bag Filter

**Single Bag Filter**

Bag Filtration Plant

**Bag Filtration Plant**

Basket Filter

**Basket Filter**

**IBC Cum IPC Bins**

Self Cleaning Filter (Motorized type)

**Motorized Type Self  
Cleaning Filters**

Strainers

**Industrial Filter  
Strainers**

**SS Filter Cages**

**Industrial Ointment  
Manufacturing Plant**

**T.E.A.M. ENGINEER'S MULTI-EQUIPMENT &  
MULTI-SERVICES PVT LTD**
