About Us

Under the invaluable guidance of our mentor, Mr. Radhey Shyam Sharma (proprietor), we, Millionaire Metal Industries Private Limited have been experiencing tremendous growth over the years. We are growing by leaps and bounds each year, becoming a dependable manufacturer and supplier in the industry. We bring forth an impeccable range of industrial products. Our product line includes Copper Induction Furnace Water Cooled Wires, Industrial Aluminum Lugs, Tinned Copper Flexible Braids, Copper Braided Flexible Connectors, Copper Round Conductors, and others. Tailored as per the requirements of our valued customers, the products are cost-worthy.

Defined as the best in quality and modern in design, our products reflect a list of remarkable properties. The rich industry experience of our mentor, Mr. Sharma, has helped us carve a niche for ourselves in the market. Only with his direction, we have been able to satisfy the demands of our customers in the best manner possible over the years. We are sure that in the future, with his guidance and the support of our professionals, we will continue to prosper.
