SOLAR LITHIUM-ION BATTERY

About Us

Yuki Electric India Pvt Ltd is committed to delivering advanced energy storage solutions for diverse needs, offering solutions for commercial & industrial application, two-wheeler lithium-ion battery, solar lithium-ion battery, portable power station, and traction battery. As a Manufacturer, Supplier, Exporter, the company focuses on merging innovation with practicality, ensuring that every product aligns with the highest standards of performance, safety, and sustainability.

Each solution is crafted to provide long-lasting performance while being lightweight and compact, enabling ease of use and installation. Quick recharge capability and a wide operating temperature range ensure reliable power delivery in various environments, from urban streets to remote industrial locations. Enhanced safety features safeguard operations, while maintenance-free technology adds to long-term convenience. The robust build quality and eco-friendly technology make these products a smart choice for businesses and industries looking to power their operations efficiently. With expertise spanning multiple sectors, our products are designed for versatile application suitability, catering to the demands of both high-performance commercial systems and personal mobility solutions. The company's unwavering commitment to quality means every product is tested and refined to meet stringent global standards before it reaches the client.

Key Facts

No of Staff	300
Year of Establishment	2021
No of Production Lines	1
OEM Service Provided	No

Our Products

**Three-Wheeler
Lithium-Ion Battery**

Portable Power Station

**5KVA Online Hybrid
Inverter 48VDC**

**2.4 KVA Online Hybrid
Inverter 25.6V 100AH**

**3.6 KVA Online Hybrid
Inverter 25.6V 100AH**

**22.2 V 20.8 AH Grey
Power House**

**22.2 V 20.8 AH Orange
Power House**

**Yukinova Lithium-Ion
Cycle Batteries**

**Two-Wheeler Lithium-
Ion Battery**

**51.2 V 200AH Smart
Inverter Battery (Three)**

**2KVA Online Hybrid
Inverter 12VDC**

**51.2 V 100AH Smart
Inverter Battery (Three)**

**1 KVA Online Hybrid
Inverter 12.8V 100AH**

**51 V 100 AH Smart
Inverter Battery (Wall)**

**3KVA Online Hybrid
Inverter 24VDC**

Traction Battery
