## About Us

Arish Infra, established in 2022 and based in Thane, Maharashtra, India, is a trusted manufacturer and supplier specializing in high quality scaffolding products. With a dedicated focus on delivering durable and reliable construction solutions, we cater to a wide range of industrial and construction needs across India. Our extensive product portfolio includes H Frame Scaffolding, Scaffolding Base Jack, Used Scaffolding Centering Plate, Scaffolding Tie Rod, Scaffolding Anchor Nut and much more. Each product is crafted using premium grade materials and advanced manufacturing techniques, ensuring robustness, safety, and long lasting performance on every project.

We understand the critical role scaffolding plays in supporting construction operations. That is why we consistently emphasize quality control and precision in all stages of production. Our products comply with industry standards and deliver exceptional strength and stability, making them ideal for both small and large scale construction projects. Customer satisfaction is at the core of our business philosophy. We work closely with clients to offer customized solutions that meet specific requirements, backed by timely delivery and competitive pricing. Our experienced team is committed to providing expert guidance and after sales support to ensure smooth project execution.
