About Us

With the advent of demand for material handling equipment in diverse engineering industries, there is a need to design and develop the equipment which are robust in construction and function effectively. To aid with this, we, Recmann Hoists And Cranes Pvt Ltd, offers a wide gamut of products such as Electric Winches, Electric Wire Rope hoist, E.O.T. Crane, Gantry/ Goliath Crane/ Jib Cranes, Goods Lifts, Geared Motors, etc. Designed using advanced machines, these are high in performance and appreciated for their robust construction, load bearing capacity and durability standards. With the perfect blend of advanced infrastructure, management and skilled work force, we ensure only superior quality products to the clients. In order to provide maximum satisfaction to the clients, we also provide spares and services to the clients. Owing to all these factors, we are considered as a renowned manufacturer, exporter and supplier in the market.

Moreover, we are managed by two technocrats, having more than 30 years of experience in the domain of material handling industry in various disciplines like manufacturing, designing, quality, vendor development, customer services and marketing. Their support, professional attitude and competence has helped us a lot in garnering a huge client base. Further, we are registered vendors with reputed organizations like M/s. Alfa Laval (India) Ltd., M/s. Gharda Chemical Ltd., M/s. Crompton Greaves, M/s. R.C.F., M/s. Godrej, M/s. NGEF, M/s. ACC Ltd., M/s. Trafalgar House Const Ltd., M/s. Glaxo India Ltd., and are regularly getting repeat orders from them.
