

Wooden Laminate Flooring

WOODEN LAMINATE FLOORING

Our Laminated Wooden Flooring is a step apart & brings the warmth, touch, sensation, feel & experience of Hardwood Flooring to your steps.

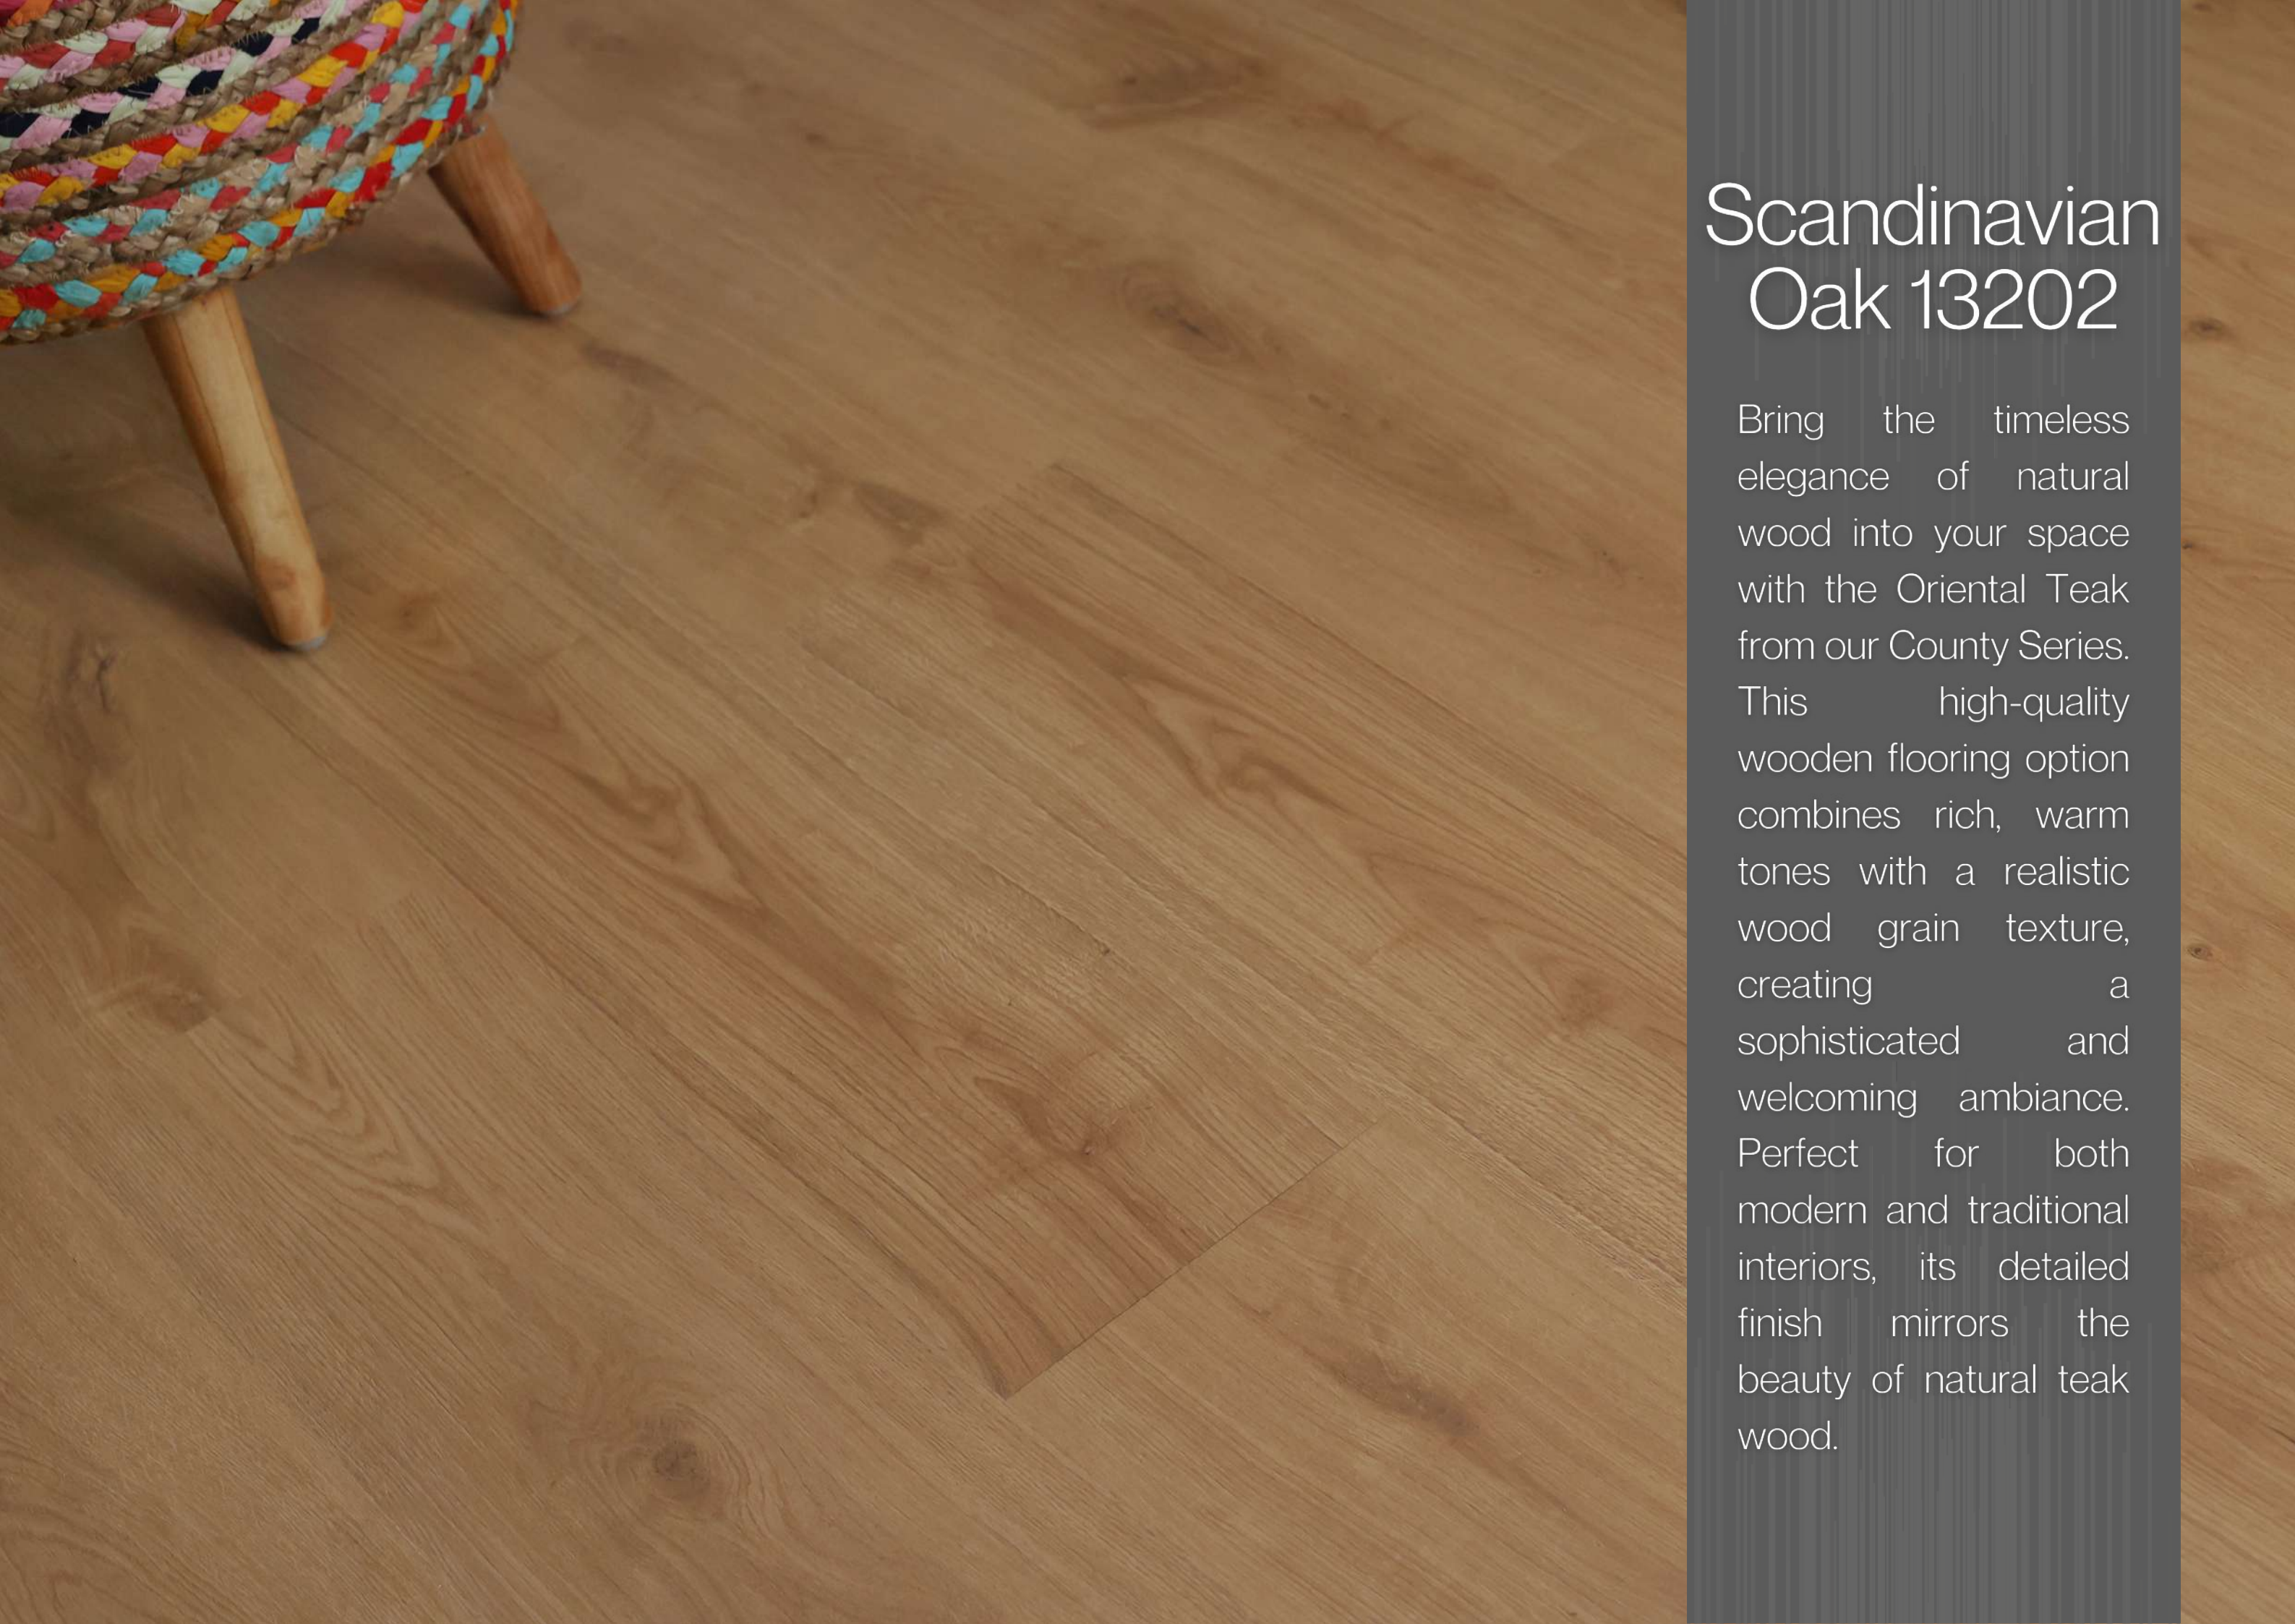

Oriental Teak 6218

Bring the timeless elegance of natural wood into your space with the Oriental Teak from our County Series. This high-quality wooden flooring option combines rich, warm tones with a realistic wood grain texture, creating a sophisticated and welcoming ambiance. Perfect for both modern and traditional interiors, its detailed finish mirrors the beauty of natural teak wood.

American Walnut 484-49

The American Walnut flooring brings the luxurious, classic beauty of natural walnut wood into any space. With its warm, mid-tone hues and flowing grain patterns, this flooring enhances the comfort and sophistication of both residential and commercial interiors. Perfect for creating a cozy and inviting atmosphere, it seamlessly complements both rustic and modern decor styles.

A close-up photograph of a light-colored wooden floor with a prominent grain pattern. In the top-left corner, a portion of a stool with a colorful, multi-colored braided seat and four wooden legs is visible. The floor is made of wide wooden planks with a natural, slightly weathered finish.

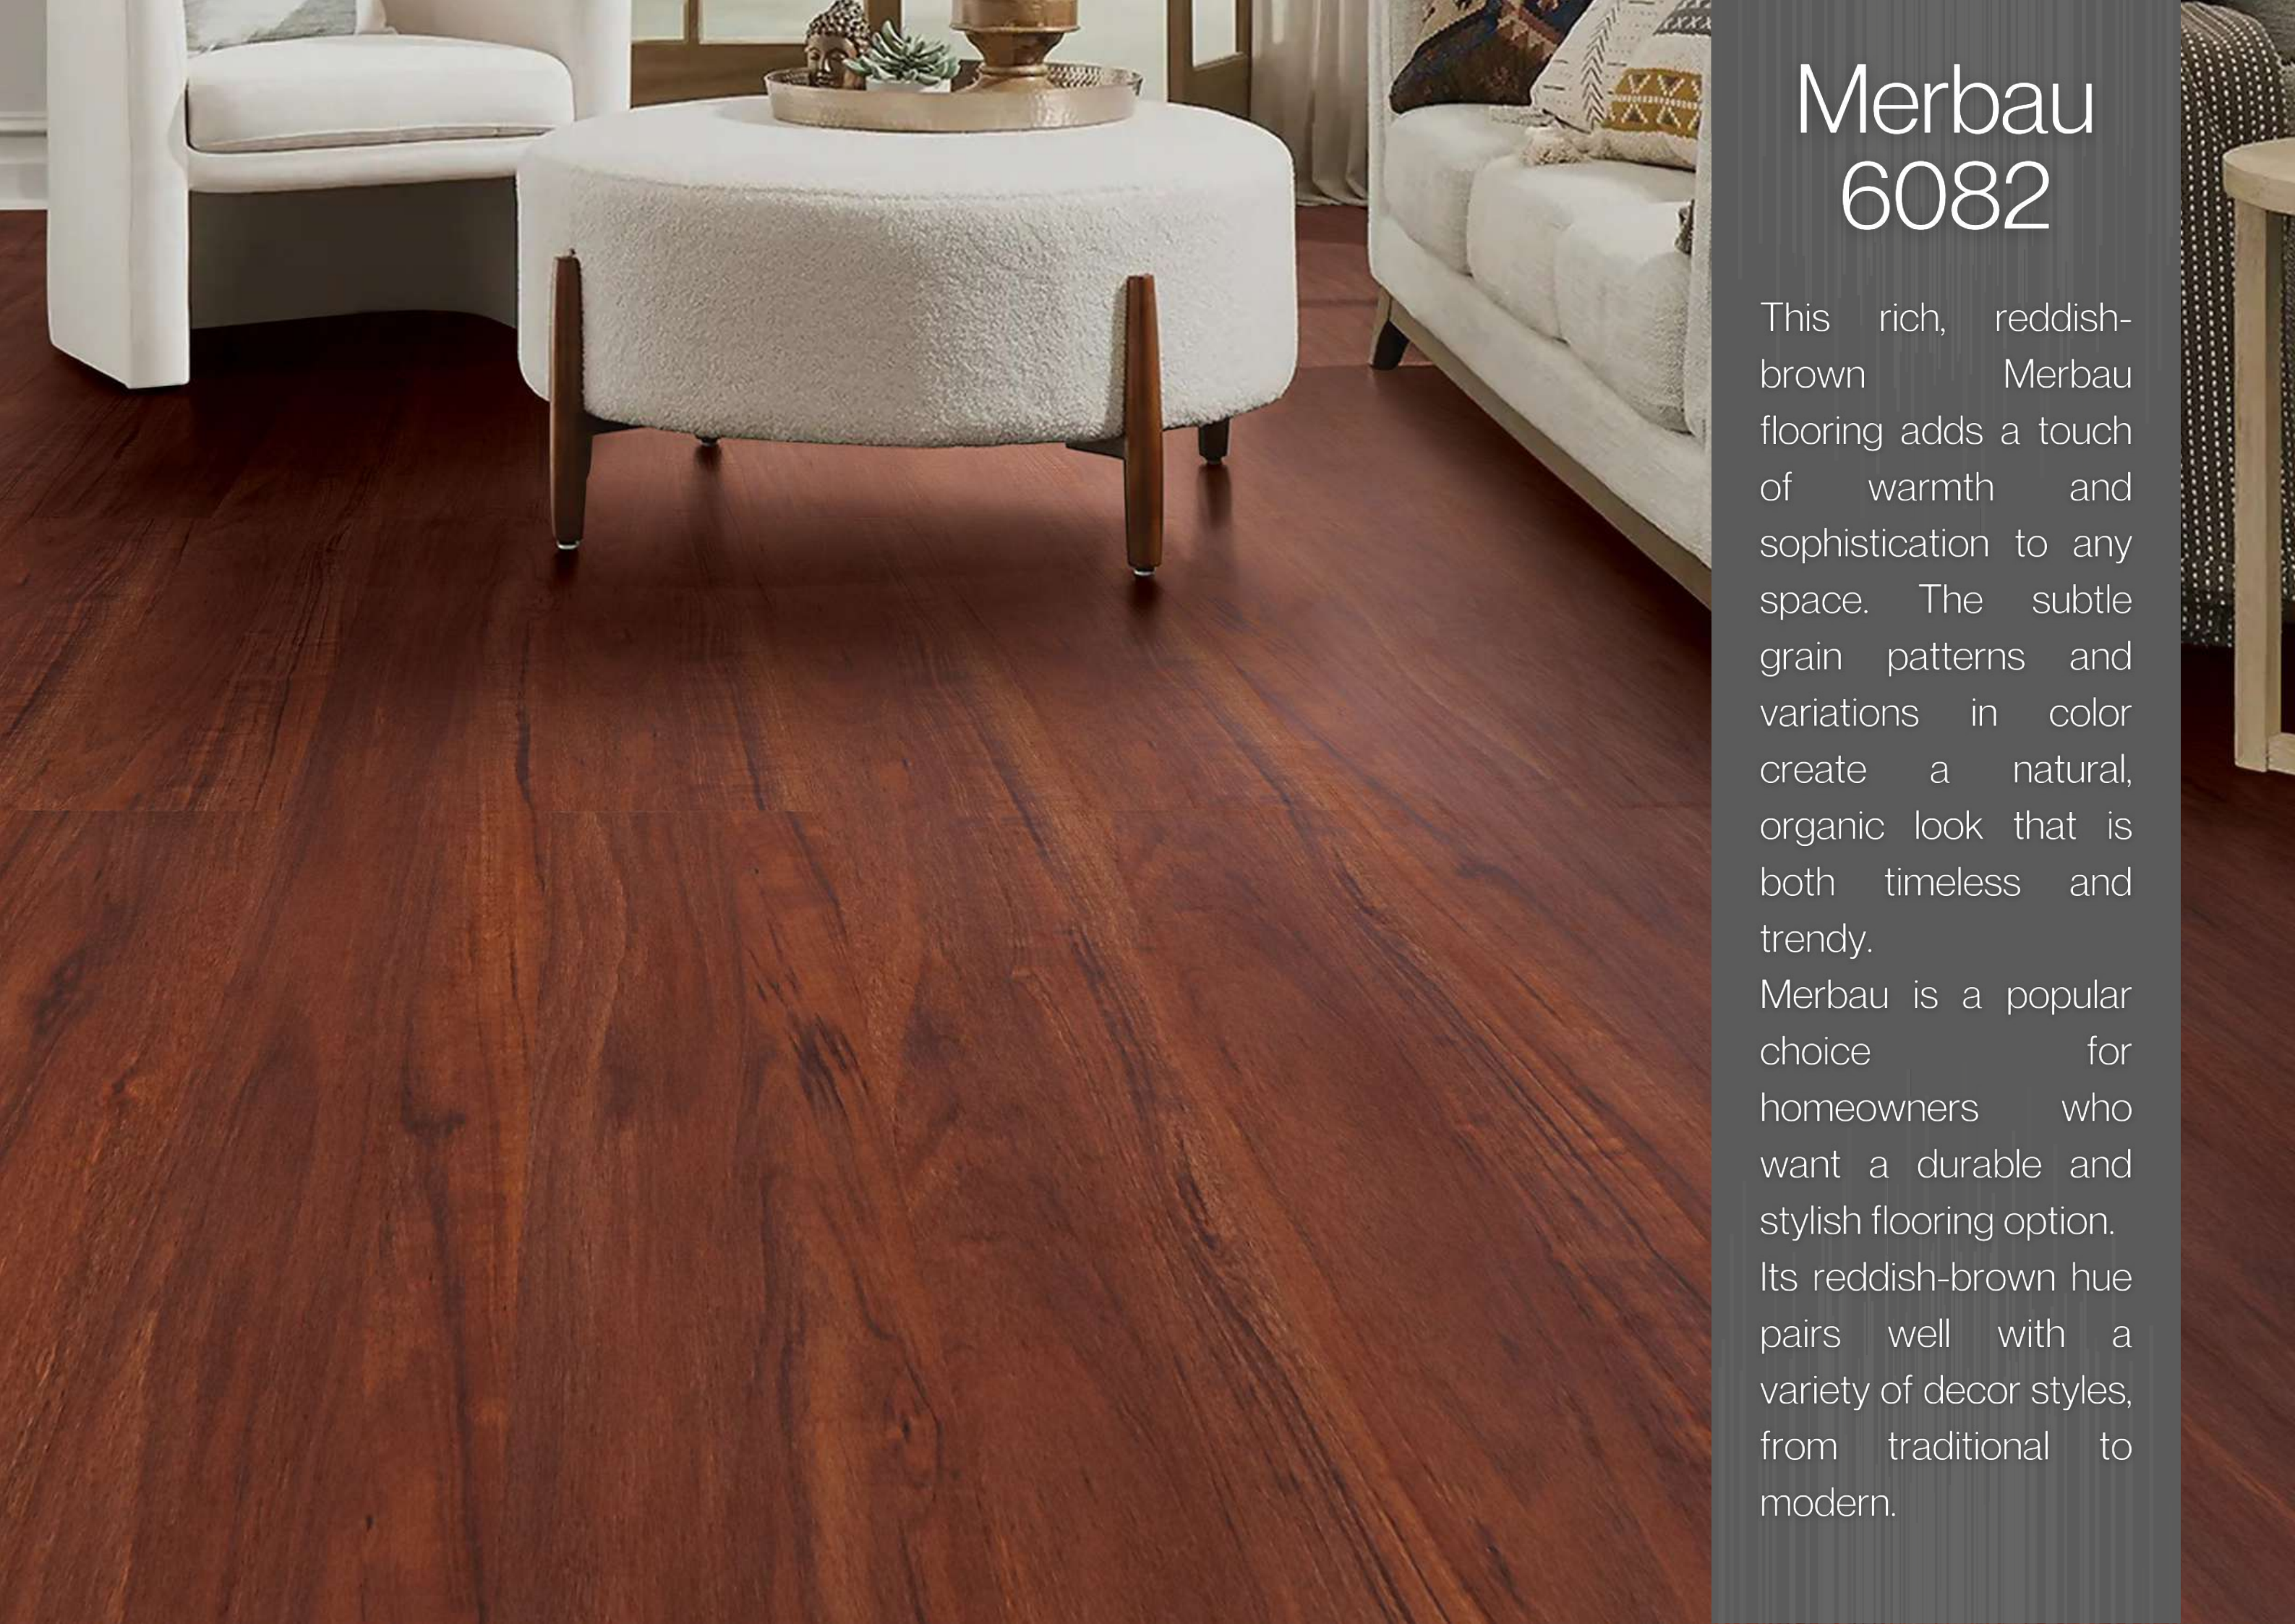

Scandinavian Oak 13202

Bring the timeless elegance of natural wood into your space with the Oriental Teak from our County Series. This high-quality wooden flooring option combines rich, warm tones with a realistic wood grain texture, creating a sophisticated and welcoming ambiance. Perfect for both modern and traditional interiors, its detailed finish mirrors the beauty of natural teak wood.

Oak Snowflake 17063-6

Transform your space with the stunning, subtle charm of Oak Snowflake flooring. This exquisite flooring option brings together the timeless beauty of oak with a soft, snowy finish that enhances any room's aesthetic. Ideal for modern and minimalist interiors, its light tones create a spacious and airy feel, making it perfect for patios, living rooms, bedrooms, and offices alike.

Merbau 6082

This rich, reddish-brown Merbau flooring adds a touch of warmth and sophistication to any space. The subtle grain patterns and variations in color create a natural, organic look that is both timeless and trendy.

Merbau is a popular choice for homeowners who want a durable and stylish flooring option. Its reddish-brown hue pairs well with a variety of decor styles, from traditional to modern.

Tuscan Teak 62068

Tuscan Teak flooring exudes a rustic charm with its rich, warm tones and distinctive grain patterns. This versatile flooring option seamlessly complements various design styles, from traditional to contemporary. Its natural beauty and durability make it a popular choice for homeowners seeking a flooring solution that is both stylish and practical.

The image shows a modern interior space with a light-colored leather armchair on the left and a low, white coffee table in the center. The floor is covered in Oak Slate flooring, which has a light grey hue and a subtle wood grain pattern. The background is a plain, light-colored wall.

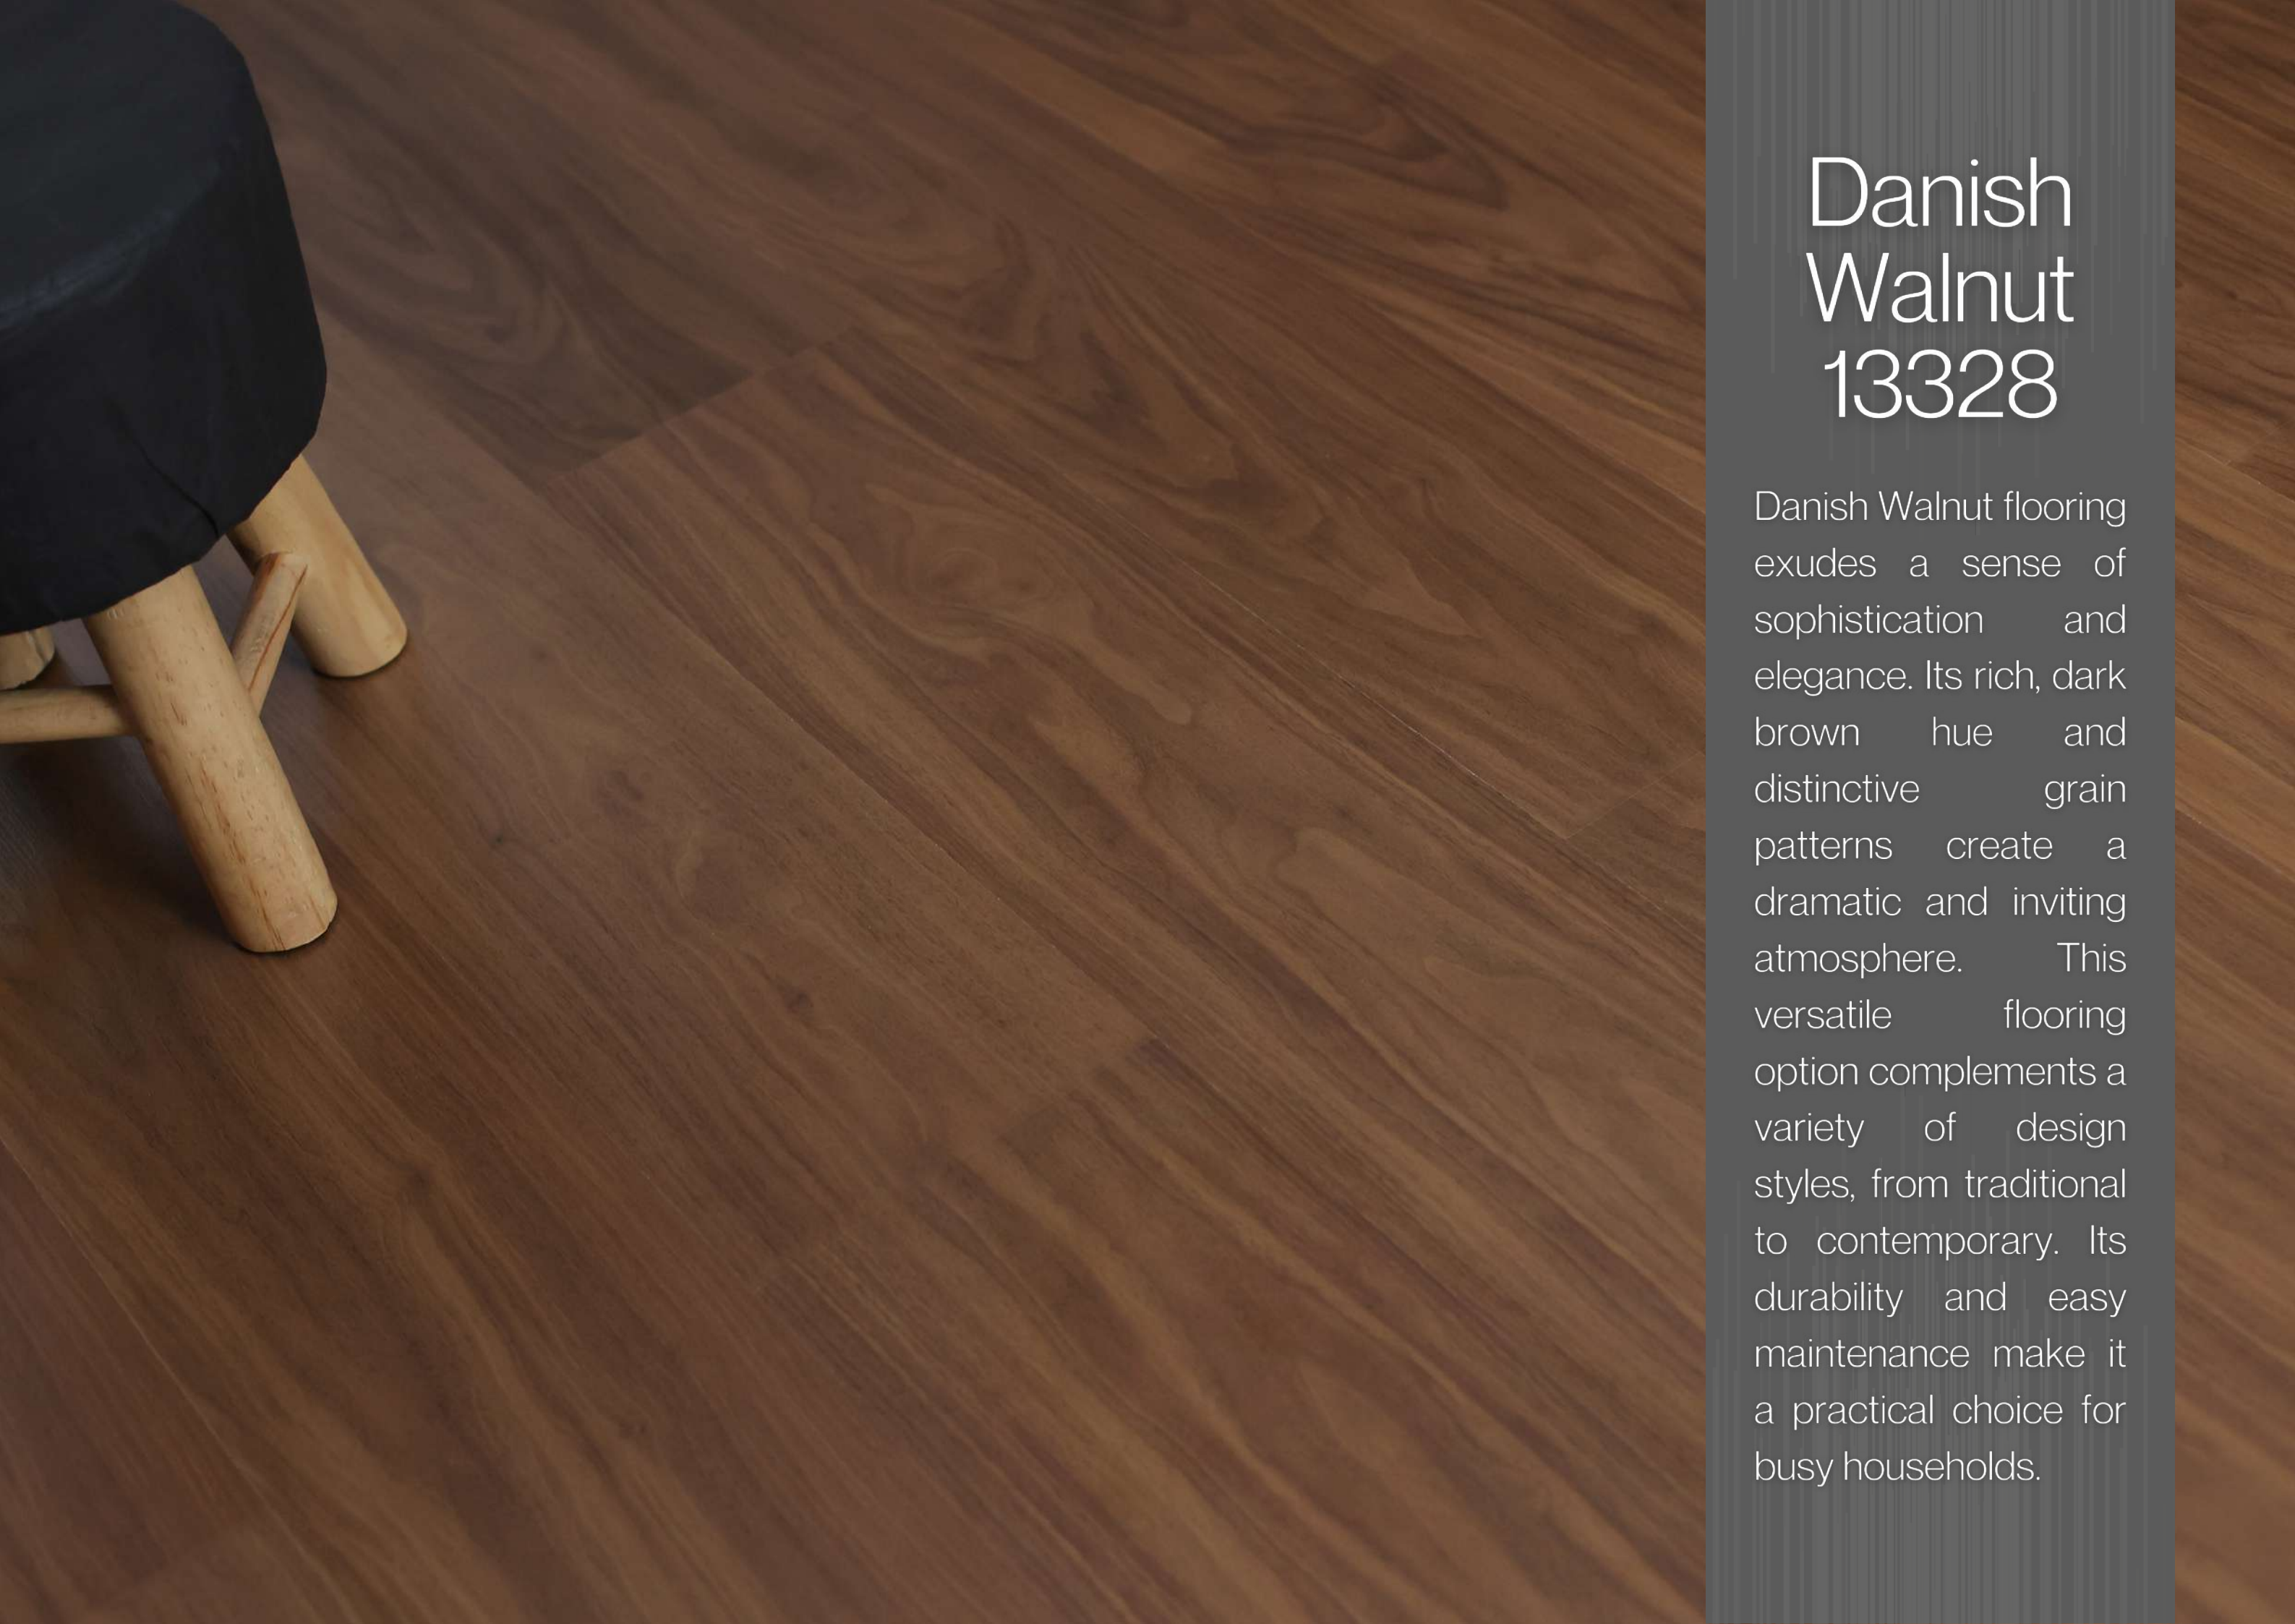

Oak Slate 515017-8

Oak Slate flooring offers a contemporary take on traditional wood aesthetics. Its light grey hue and subtle grain patterns create a clean, minimalist look that complements modern interiors. This versatile flooring option is perfect for those seeking a stylish and low-maintenance solution for their home. It's a great choice for creating a serene and sophisticated atmosphere.

Oak Cappuccino 6702

Oak Cappuccino flooring brings a touch of warmth and elegance to any space. Its rich, medium brown tone and subtle grain patterns create a timeless and versatile look. This flooring option is perfect for those seeking a classic and sophisticated aesthetic. Its durability and easy maintenance make it a practical choice for busy households.

Danish Walnut 13328

Danish Walnut flooring exudes a sense of sophistication and elegance. Its rich, dark brown hue and distinctive grain patterns create a dramatic and inviting atmosphere. This versatile flooring option complements a variety of design styles, from traditional to contemporary. Its durability and easy maintenance make it a practical choice for busy households.
