About Us

Founded in 2019, GT Exim Solutions is a leading importer and distributor of *Mytigclean Microfiber Cloths* and a comprehensive range of *professional cleaning products*.

Our *Mytigclean Microfiber Cloth* is our flagship product — recognized for its superior quality, long-lasting durability, and excellent cleaning performance. We serve *bulk buyers, housekeeping companies, and institutional clients* across India who value consistency and reliability. At GT Exim Solutions, we go beyond products — we deliver *effective cleaning solutions* that save time, reduce costs, and enhance hygiene standards.

Why Us

- ✓ Consistent Quality & Reliable Stock*We maintain the same superior quality throughout the year, ensuring uninterrupted supply.
- ✓ Solution-Focused Approach*We don't just sell — we help you choose the right cleaning solution for your needs.
- ✓ We Import. We Stock. You Save. By managing imports and inventory directly, we offer the best prices and timely deliveries.
- ✓ Relationship-Driven Growth We build long-term partnerships based on trust, service, and shared success.
- ✓ Our Commitment: “Rise and Shine with Mytigclean.”
*A promise of quality, reliability, and a cleaner tomorrow.

Mytig Clean Microfiber Cloths Are Specially Engineered To Deliver High-quality Cleaning Performance With Exceptional Softness And Care. Made With Ultra-fine, Densely Woven Fibers, Each Cloth Has The Ability To Lift And Trap Dust, Dirt, Smudges, Oil Marks, And Moisture Effortlessly, Providing A Spotless, Streak-free Shine Every Time. Unlike Ordinary Cleaning Cloths, The Microfiber Texture Ensures Powerful Cleaning Without Causing Scratches, Lint, Or Swirl Marks, Making It Ideal For Delicate Surfaces Such As Mobile Screens, Laptops, Cameras, Eyeglasses, Mirrors, And Car Interiors. It Is Also Highly Absorbent, Quick-drying, And Designed For Long-term Use—simply Rinse Or Machine Wash To Reuse Again And Again. Perfect For Homes, Offices, Workshops, Optical Care, Automotive Detailing, And Professional Cleaning Setups, Mytig Clean Offers Durability, Reliability, And A Superior Cleaning Experience That You Can Trust Every Day.
