About Us

GT Exim Solutions has quickly established itself as a trusted importer and supplier of premium-quality cleaning and maintenance solutions. Despite being a young company, our dedication to quality, reliability, and customer satisfaction has enabled us to carve a niche in the competitive cleaning products industry. We focus on offering products that combine functionality, durability, and user convenience, catering to both professional and individual customers across India.

At GT Exim Solutions, we specialize in importing and supplying a wide range of high-performance cleaning tools and accessories. Our extensive product portfolio includes Aluminium Telescopic Extension Poles, Aluminium Sticks, Microfiber Car Detailing Cloths, Dual Fleece Premium Microfiber Cloths, etc.
