CERAMIC PRODUCTS

About Us

With the help of highly skilled and trained workers, we, Pragati Ceramics have been able to develop our highly advanced and qualitative range of products to meet the exact requirements of the valued customers. Since our inception in the year 1978, we are working on advanced ceramic as applied to heating systems and continuous quality improvements to excel in our business activities. Our mentor, Mr. Gopalbhai Savadia, has extensive industry experience and expertise in the concerned domain. His business acumen has allowed us to execute all our business operations with ease and comfort. The fine blend of domain expertise and in-depth technical knowledge of our workforce has allowed us to develop a flawless range of elements to garner a huge clientele.

We are known as a renowned manufacturer, exporter and supplier of Refractories For Heating Elements, Steel Plants, Cartridge Heater, Bobbin Heater, Different Type Of Foundry Ceramic Filter, Different Type Of Hook For Furnace, Wire Wound Resisters Pipe, etc. Our range of heating elements has been appreciated by our clients for various attributes such as longer service life, low power consumption and precision functionality. Our reputation in the market & continuous up-gradation of our system and employee awareness towards quality, assures the satisfaction of the clients with our product & continued success of our mutual co-operation. Our product range is produced from high grade basic material and adheres to all quality norms laid down by domestic and international agencies.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	refractory tubes,refractory bricks,refractory ceramic fiber,ceramic connector,ceramic insulator,ceramic tubes,ceramic foundry filter
No of Staff	25
Year of Establishment	1978
OEM Service Provided	No
ProductRange	refractory tubes,refractory bricks,refractory ceramic fiber,ceramic connector,ceramic insulator,ceramic tubes,ceramic foundry filter

Our Products

Threaded Channel

Electric Fuse

Gold Melting Crucible
