## About Us

We are reckoned as a prominent distributor, supplier, trader and exporter of a wide range of Building Material. Our products are widely appreciated for features like durability, long functional life and high tensile strength. Over the years, with two decades of rich experience we have emerged as one of the leading providers of noise control products & systems in the global marketplace. Our good reputation has been built on our commitment to design & manufacture the best quality products to make the world a noiseless place. We work with thorough understanding of our clients' requirements & goals that helps us gain success in the industry. Keeping this in mind, we look forward to do business with global customers. We started to meet the needs of the Acoustical Dry Walls, Ceilings, Floors, Walls, Doors & Chairs around the Middle East Country. Since the inception, the company has grown to become a large Acoustic Solution Provider.

Established in the year 2002, we, 'Navyug Traders', are a sole proprietor firm, engaged in distributing, supplying, trading and exporting an exclusive range of Building Material. These products are used in commercial & residential establishments, hotels and offices for the purpose of furnishing the building. We offer our clients with a comprehensive range of Wood Substitute & Boards, Gypsum Ceiling Tiles and Acoustic Ceilings. Our products are highly acclaimed for features like durability, fire-resistance, and easy installation. We also undertake orders to supply customized products as per the configurations provided by our clients. These products are manufactured using premium quality raw material and advance technology at our vendors' end. We select our vendors after conducting in-depth study of the market. Our professionals ensure that the entire range is tested on the basis of certain pre-defined parameters before being delivered at the clients' end. Furthermore, our infrastructure is equipped with all the facilities that are needed to test & store the products. In order to attain utmost client satisfaction, we provide our clients with paid samples of our products, wherein they need to take care of the delivery charges, along with the product cost. We follow the just-in-time delivery mechanism and ensure that the products are delivered within 1 to 15 days. Cash, cheque and DD are some of the payment modes that we acknowledge for the convenience of our clients.
