About Us

Established in the year 1975, Adarsh Steel Suppliers has grown to become a trusted and prominent name in the industry as a leading manufacturer and trader of a wide range of products including Barbed Wire, Binding Wire, Chain Link Fencing, Chicken Mesh, and more. Over the years, we have built a strong reputation for delivering superior quality products that not only meet but also exceed client expectations. Our commitment to excellence has enabled us to earn the trust of our valued clients and secure a remarkable position in the marketplace. We have set up dedicated quality testing units equipped with advanced facilities to ensure that every product leaving our premises is thoroughly checked for strength, durability, and performance. We source raw materials only from the most reliable and authentic vendors in the market, ensuring that our end products maintain the highest standards.

The success of our company is also attributed to the able leadership of Mr. Vibhor Goel. His visionary approach, strong managerial skills, and deep market knowledge have guided us in fulfilling client requirements effectively and building lasting business relationships.

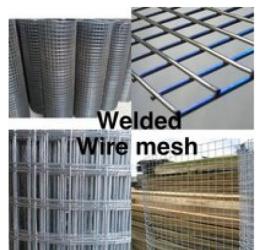

Adarsh Steel Suppliers, based in Ghaziabad, Uttar Pradesh, India, is a trusted manufacturer and trader of high-quality Chain Link Jali, Barbed Wire Kanta Taar, Concertina Coil Fencing Wire, GI Chain Link Fencing and allied products. Since our establishment in 1975, we have been committed to delivering durable and reliable solutions that meet international quality standards. Backed by a skilled team and advanced quality-testing units, we ensure flawless products for diverse applications. With a strong distribution network and customer-centric approach, we have built long-term relationships and a strong market presence.
