About Us

Located in the growing industrial hub of Khopoli, Maharashtra, Alpha Precast has earned a strong reputation as a trusted manufacturer and supplier of premium RCC precast concrete solutions. We specialize in Heavy Duty Prestressed Precast Compound Walls, Single Panel Precast Compound Walls, and other customized precast concrete products that meet the highest standards of strength, precision, and durability.

At Alpha Precast, we combine innovative design, advanced manufacturing techniques, and stringent quality control to deliver products that consistently exceed client expectations. Each precast wall is engineered using high-tensile prestressed steel and I grade concrete, ensuring long-lasting performance and superior load-bearing capacity. With a focus on timely delivery, client satisfaction, and sustainable construction, we have become a preferred choice across residential, commercial, and industrial projects throughout India.
