About Us

The increasing air pollution level and chemical impurities in our surroundings take a heavy toll on skin and hair. Several products are available on the market to help people keep their skin and hair in healthy condition. But, buying those products that are made up of several chemicals proves to be a bad decision for many. This is why we, Royal Herbal Products, bring forth 100% Herbal Henna/Mehendi and quality-assured Skin Care Creams.

Established in 1996, we have earned a reliable position in the industry as a manufacturer, exporter, and supplier of high quality herbal products such as Globe Herbal Based Black Mehndi, Natural Henna Cones, Skin Care Creams, etc.
