About Us

SS Electricals, established in 2020 and based in Jaipur, Rajasthan, India, is a growing and trusted name in the field of electrical engineering and power distribution solutions. We are engaged as a Manufacturer, Supplier, and Service Provider of high-quality electrical control systems designed to meet the needs of industrial, commercial, and residential sectors. Our core expertise lies in developing reliable and efficient electrical panels such as Control Panels, Changeover Panels, PLC Control Panels, and Distribution Boxes. Each product is designed with precision engineering, high-quality materials, and advanced technology to ensure safety, durability, and superior performance.

Since our inception, we have focused on delivering solutions that not only meet but exceed customer expectations. Our commitment to innovation, quality, and customer satisfaction has helped us build long-term relationships with clients across various industries. We understand the importance of uninterrupted power management systems, and therefore, our products are built to ensure stability, efficiency, and long service life.
