**Bio Medical Waste Management & Infection Control Product**  
*Waste Management, its our concern!*

**N**ishika Enterprises is a Bio Medical Waste Management company catering to the requirements of number of premier hospitals throughout the country. We were first in country to introduce Syringe Needles Destroyer in the year 1992 with the brand name "**Melto**". The product was approved for use in command hospital through out the country & number of other premier health care institutes are using our product.

Today we are major manufacturer and suppliers of Waste Management Products such as DISPOSAFE® - Sharp Container and Hub Cutters. NISHIKA® - Garbage Bags, NISHIKA® -Foot Operated Dustbins, Swing Bins, Linen Trolley, Wringer Trolley, Multipurpose Trolley, and many more BMW products.
