# ABOUT US

We specialize in trading and supplying a wide range of high-quality agricultural products including Spices, Fresh Fruit, Green Chilli, Basmati Rice and Sweet Corn Etc. Each product is handled with care to preserve its natural goodness and freshness. Whether its premium-grade rice for export, nutrient-rich fox nuts, or fresh produce for everyday consumption, our offerings cater to the needs of both retail and bulk buyers.

Our strength lies in our efficient supply chain and professional workforce. Based in Pune, our well-organized storage and packaging facilities enable us to handle large volumes without compromising quality. We maintain optimal temperature and hygiene standards to ensure our products remain fresh until they reach the end user.

Our dedicated team of procurement experts, quality analysts, and logistics professionals ensures that every operation - from sourcing to delivery is executed smoothly and efficiently. Their experience and commitment to excellence help us maintain our reputation as a trusted name in the trading and supply of agro-products.

Customer satisfaction drives every decision we make. We believe in building long-term relationships through transparency, reliability, and personalized service. Our clients trust us for timely deliveries, competitive pricing, and consistent quality. With strong ethical business values and a vision for sustainable growth, we aim to expand our reach in both domestic and international markets while continuing to uphold our promise of quality and integrity.

“Nurturing Nature,  
Feeding the World”

# INDIAN GRAINS

## RICE (Basmati & Non-Basmati)

HS Code: 1006

India is a leading global exporter of Basmati and Non-Basmati rice, known for superior quality, aroma, and taste. Our rice is hygienically processed, export-ready, and supplied with customized specifications and packaging to meet international market requirements.
