# Welcome to the White-Westingshouse Full Line Catalogue

White-Westingshouse is a renowned American brand known for its sturdy and reliable products. Every product is made with genuine materials making it far more sturdy than any other local or Asian brands. White-Westingshouse is known for its innovation and in the 1930's was the first company to come out with refrigerators with sealed refrigeration units. The company was also the first to come up with Automatic washing machines way back in 1939. The first auto-defrost refrigerators were also introduced by the company in 1950's. The company has been innovating electrical products for more than 90 years and is the most respected brand in the consumer electronics industry.

## Table of products

## AdvanceTech Series Refrigerators

### MRTG20V8PS

(220-240V, 50Hz)

**A**dvance Tech Series

#### Features

- 2 full-width adjustable spill proof glass shelves
- 4 Adjustable quick bin and 1 fixed door bin
- Full-width snack drawer
- 2 Advance fresh crispers with front humidity controls and glass crisper cover
- 1 Tall bottle Retainer
- Sliding freezer Basket
- 2 Clear freezer door bin
- Ice Tray shelf / 2 ice trays
- Large ice bucket
- Available in easy clean stainless steel

#### Common Features

- 100% no frost
- A+ Euro energy rating
- Accu defrost
- Covered dairy compartment
- Bin liners
- Freezer Light
- Full-width adjustable Freezer shelf
- Reversible Doors
- Optional Ice maker kit IM220

#### Features:

- 2 Full-Width adjustable wire shelves
- 3 Full-Width door racks
- 2 Advance Fresh crispers with side humidity controls and glass crisper cover
- 1 Tall bottle retainer
- Movable mini freezer shelf
- 2 White freezer door bin
- 2 Ice trays
- Available in Stainless Steel

### MRTW20V6PS

(220-240V, 50Hz)

**A**dvance Tech Series

**MRTW20V5PW**  
(220-240V, 50Hz)

**A**dvance Tech Series

- Features**
- 3 Full-width adjustable wire shelves
  - 3 Extra large fixed door bins snack drawer
  - 2 Advance fresh crispers with side humidity controls and glass crisper cover
  - 1 Tall bottle retainers and 1 door snuggler
  - Full-width adjustable freezer shelf
  - Ice tray shelf / 2 Ice trays / Ice bucket
  - Available in white

## WLF125 (220-240V, 50/60Hz)

## Features

- A+Energy rating
- Digital display / Time remaining
- Power on indicator light
- Electronic controls
- iWash-Ultra fabric Care
  - Each laundry load is automatically customised to maximum cleaning, rinsing and spin action for brighter colors and brilliant whites
- Advance System
  - During Advance wash, the wash tub rotates while the agitator is in motion. Clothes are drawn to the bottom where the best wash action takes place. Advance wash cleans your clothes thoroughly yet gently
- 14 Hours Delay Start
  - The Delay start can be set to begin the wash program upto 14 hours later
- Stainless Steel Wash Tub & Drum
- Polypropylene Wash tub
  - The wash tub is made of light weight polypropylene, which is virtually indestructible and will not rust dent or chip. The tub weighs 50% less than traditional porcelain tubs, which puts less strain on the washer's transmission and motor
- Glass Door with Safety Lock
- Liquid bleach dispenser & fabric softner dispenser
- 3 Detergent compartments
- Display start time
  - The Delay Start allows you to set the dishwasher to run at a more convenient time, in 3,6,9 or 12 hours, when it may cost less to operate.
- 7 Wash cycles
- Variable signal volume
- 1100 RPM Spin speed
- No Spin option
- Pedestal not included

## MDE675 (220-240V, 50/60Hz)

## Features

- Dry Ultra Intelligent Fabric Care
  - Dry Ultra Intelligent Fabric Care provides each cycle to automatically be customized with the best setting to prolong the life of your laundry.
- Silent Design Package
- Optional Stacking
- RoHS Compliant
- Electronic Controls
- 2 Time Dry Cycles
- 5 Auto Dry Cycles
- NSF Certified 99.9% Bacteria-Free Cycle
- 4 Dryness Levels
  - More Dry, Normal, Less Dry and Damp Dry
- Extended Tumble Option
- Pro Dry Moisture Sensor
  - Detects the amount of moisture in the laundry and stops the drying cycle at the appropriate time to prevent damage to your clothing.
- 5 Temperature option
  - Maximum, High, Medium, Low and Air Fluff
- Shrink guard option
- Vented dryer
- Safety start
- Extra Large Glass Door with Safety Lock

(220-240V, 50/60Hz)

### Features

- 14 Kg capacity
- 680 RPM
- Rotary electronic controls
- 7 Wash programs
- 4 Manual and 1 Auto:
  - Wash/Rinse temperature options
  - Water level controls
  - Wash action tie controls
- Spin level controls
- Fabric softener and bleach dispensers
- Pre-Wash
- Safety lid lock
- Tempered glass Lid
- Attached drain hose
- Self-Cleaning lint filter
- Hot and Cold water Fill
- Stainless steel Tub
- Leveling legs
- Available in White

### MULTU14GGAWB

Height (mm/in)	1068 / 42
Width (mm/in)	678 / 27
Depth (mm/in)	658 / 26
Weight (kg/lb)	54 / 118

### Features

- 170 Litre
- Rotary electro mechanical Controls
- 13 Dry cycles
- Timer program : 30-80 Minutes
- 3 Dryness levels
- No Heat cycle
- Thermostat sensor
- Safety start
- End-of-cycle signal
- Reversible door
- Available in White

### MKRN13GWAWB

Height (mm/in)	1090 / 43
Width (mm/in)	683 / 27
Depth (mm/in)	658 / 26
Weight (kg/lb)	46 / 101

## MKRN13GWAWB

(220-240V, 50/60Hz)

**WHI30BZEMW-A**  
(220-240V, 50/60Hz)

Model	WHI30BZEMW-A
Height (mm/in)	1118 / 44
Width (mm/in)	686 / 27
Depth (mm/in)	737 / 29
Weight (kg/lb)	72 / 159

- Features:**
- 10.1 kg capacity
  - High efficiency design
  - Water wave technology
  - Advance care wash action
  - Performance fill
  - 9 Wash programs
    - 5 Wash / rinse temperature control
    - Automatic water level control
    - 3 manual water level options
    - Wash progress indicators
    - Energy saver option
    - Quick wash
    - Extra rinse and extra spin
    - Fresh water rinse
    - Tempered glass lid
  - Hot and cold fill
  - Bleach and fabric softener dispensers
  - Advance quiet design
  - Advanced balance system
  - Advance care tub with lifetime warranty
  - Tempered glass lid
  - Safety lid lock
  - End-of-cycle chime
  - Available in white

- Features:**
- 10.1 kg extra large capacity
  - Balance dry system
  - LED cycle progress indicator
  - 9 drying programs
  - 30, 60, 90 timer program minutes
  - 5 temperature options
  - 5 dryness levels
  - Wrinkle release
  - Shrink guard
  - End of cycle signal
  - LED drum light
  - Stainless steel drum material
  - Reversible door
  - Advance quiet design
  - Available in white

\*specifications are subject to change without notice.

\* Note : Care and Precaution needs to be taken to see that the room where the dehumidifiers need to be installed is kept air tight so that outside humidity / moisture doesn't enter inside the room through the doors / windows, etc. so that we can achieve maximum and optimum performance and results from the dehumidifiers.
